(LUNCH PROVIDED)

Join us in our new Escape Room Creation Camp. If you like the excitement and fun of real-life adventure games, this camp is for you!

You’ll have the opportunity to experience an escape room scenario* then learn about and participate in creating an escape room with your fellow campers!

CAMPERS WILL:
• Experience several kinds of escape rooms.

• Work with staff & faculty to learn how to create both a great theme and challenging puzzles.

• Invite their parents to try out the escape room they built during the camp.

WHAT IS AN ESCAPE ROOM?
It’s a real-life adventure game where you and your friends are “locked” in a room** and you have an hour to solve the puzzles that will lead you to the key that “unlocks” the door.

**Immediate egress will always be available
