Mathematicians, artists, and architects are finding out what kids already know: creating, discovering, and deepening your understanding of the universe with Zometool is FUN! Zometool is a powerful construction system that allows the integration of art, math, science, engineering, and play.

Activities in the Zometool Camp include:
- Building geodesic domes, “spinners,” and 2- and 3-dimensional challenges
- Exploring mathematical and artistic patterns
- Working together to build a single, complex work of “mathematical art” containing thousands of parts.

Zometool is quite user-friendly—no previous experience is needed.

2. I am aware of no physical or mental infirmity that could reasonably be construed to effect my ability to safely and fully participate in this activity, and I have not taken any action or made any representation to the RELEASEES regarding said ability which is untrue or upon which RELEASEES would be unjustified in relying with regard to my health, wellness and general ability to participate.

I hereby further agree that this Waiver of Liability and Hold Harmless Agreement shall be construed in accordance with the laws of the State of New York.

6. I understand and agree that the University shall not be responsible for any medical costs associated with any injury I may sustain.

7. I also understand that I should, and am urged by the University to, obtain adequate health and accident insurance to cover any personal injury to myself which may be sustained during the activity or the travel/transportation to, from and during said activity.

8. I further understand that I should, and am urged by the University to, obtain adequate health and accident insurance to cover any personal injury to myself which may be sustained during the activity or the travel/transportation to, from and during said activity.

9. If any portion of this document is held to be void or unenforceable, then the minimum amount of the clause that must necessarily be severed from the remainder of the document to enable the clause, or the document as a whole, to become or remain valid and enforceable shall be severed. Upon the completion of said minimum severance, if at all possible, the remainder of the clause and document, shall be and remain in full force and effect to the greatest extent permissible under the laws of the State of New York.

IN SIGNING THIS RELEASE, I ACKNOWLEDGE AND REPRESENT THAT I have read the foregoing Waiver of Liability and Hold Harmless Agreement, understand it and sign it voluntarily as my own free act and deed; no oral representations, statements or inducements, apart from the foregoing written agreement, have been made; I am at least eighteen (18) years of age and fully competent; and I execute this Release for full, adequate and complete consideration fully intending to be bound by same.
