Assistant Professor -- Organic Chemistry

Applications are invited for a tenure track faculty position at the rank of Assistant Professor in the Department of Chemistry at St. Bonaventure University, beginning August 2016, pending funding approval.

A Ph.D. in Chemistry (or a closely related discipline) with specialization in organic chemistry is required along with a commitment to excellence in undergraduate teaching, research, and University service. Teaching responsibilities will include organic and general chemistry. Appreciation and respect for the University’s Mission as a Catholic University in the Franciscan tradition are expected.

Applicants should submit a cover letter, curriculum vitae, statements of teaching philosophy and research plans, unofficial undergraduate and graduate transcripts, and have three letters of reference sent either by email c/o sgodfrey@sbu.edu or by mail to: Chemistry Search, Dean of Arts & Sciences, St. Bonaventure University, St. Bonaventure, NY 14778.

For more specific information, contact Dr. Donna Brestensky (dbresten@sbu.edu). For general information about the university and the department, visit http://www.sbu.edu/chemistry

Review of applications will begin immediately and continue until the position is filled. St. Bonaventure University is an equal opportunity employer, committed to fostering diversity in its faculty, staff and student body, and strongly encourages applications from the entire spectrum of a diverse community.

In light of its commitment to create and maintain a safe learning and working environment, employment with St. Bonaventure University requires successful completion of a background screening.
