To the Members of the St. Bonaventure University Community:

The Student Affairs Division believes that every action a student takes outside the classroom has an impact on student learning and achievement, and that each St. Bonaventure Student is capable of excellence.

We welcome and encourage your participation in the extensive educational, spiritual and social programs the University has to offer. As women and men of the St. Bonaventure University Community, you are expected to become familiar with and abide by federal, state and local laws, and the policies, procedures and guidelines outlined by St. Bonaventure University. The Student Code of Conduct is one of many documents designed to afford all members of the University Community the opportunity to grow in the Franciscan tradition. Ultimately, our Franciscan tradition calls upon all of us to respect the dignity of each individual, and to care for our community.

While St. Bonaventure University has provided you with resources to assist you in your quest for knowledge, every individual is ultimately responsible for his or her own actions. Students will be held accountable when their actions are determined to be incongruent with the mission of St. Bonaventure University or determined contrary to the law or University Policy.

The Student Affairs Division is committed to walking with each of you on your journey of educational, social and spiritual growth in your time here at Bona’s.

Peace and all good,

Nichole J. Gonzalez
Interim Vice President for Student Affairs
Franciscan Prayer for Peace

Lord, make us an instrument of your peace,
Where there is hatred, let us sow love;
Where there is injury, pardon;
Where there is doubt, faith;
Where there is despair, hope;
Where there is darkness, light;
And where there is sadness, joy.

Grant that we may not so much seek to be
Consoled as to console;
To be understood, as to understand;
To be loved, as to love;
For it is giving that we receive;
It is in pardoning that we are pardoned;
And it is in dying that we are born to eternal life.

ALMA MATER

With myrtle wreath we’ll deck thy brow
Bona’s, old St. Bona’s.
Thy verdant leaves our love avow,
Bona’s, old St. Bona’s
Thy name was ever fair and bright;
We’ll keep it thus with memory’s light
And laud thy glorious Brown and White,
Bona’s old St. Bona’s.

Our hearts shall ever be thy shrine
Bona’s, old St. Bona’s.
Around thy name shall honor twine
Bona’s, old St. Bona’s.
E’er hallowed shall thy memory grow
Though years have fled and years shall flow,
Within our souls thy love shall grow,
Bona’s, old St. Bona’s.

COLLEGE COLORS

The school colors are brown and white, derived from the characteristic garb of the Franciscan friars. This is a brown robe, called a “habit,” and made in the shape of the cross. A white rope, called a “cord,” is worn around the waist of the Franciscan friars. On the cord are three knots representing the vows of poverty, celibacy and obedience.
ST. BONAVENTURE UNIVERSITY MISSION STATEMENT

Founded in 1858, St. Bonaventure is a Catholic university dedicated to educational excellence in the Franciscan tradition. We are committed to the constant pursuit of distinction in our undergraduate and graduate programs, our innovative liberal arts core and all of our courses of study. At St. Bonaventure University, we come to know our students on an individual basis and become their mentors. We strive to bring out the best in every individual. As an academic and spiritual community, we endeavor to prepare our students for the challenges they will face in their professional careers as well as in their personal lives. True to our Franciscan heritage, we encourage students to manifest our values through lives of citizenship and service.

ST. BONAVENTURE UNIVERSITY VALUES STATEMENT

As a Catholic university in the Franciscan tradition, we dedicate ourselves to the following Core Values and to making them live and thrive at St. Bonaventure:

*Discovery*
We steadfastly pursue intellectual, spiritual and personal growth in a way that reflects our belief in the wonder, excitement and joy of discovery along life’s good journey. Central to that journey is an appreciation for the best that has been thought, written and discovered. It is our firm intent that our faculty and students add to this body of knowledge, sharing the adventure of inquiry in an atmosphere of academic freedom, both within and outside the classroom.

*Community*
We believe in an inclusive community that values diversity as a strength. We foster and celebrate practices that nurture living and learning in an atmosphere of caring, respect and mutual accountability. We seek to enhance the quality of life in the world around us, particularly by reaching out to the poor, the less fortunate and the disadvantaged. We not only demonstrate this spirit of community on our campus; we manifest it wherever we go.

*Individual Worth*
At the core of our identity is a strong belief in the goodness of life and the God-given worth of every individual. We treat all members of our community with dignity and strive to help them reach their full potential. We commit ourselves to actions that empower all members of the St. Bonaventure community and encourage their full participation in creating our future.

*Statement of Distinction*
At St. Bonaventure University, we strive to foster the development of knowledgeable, skilled, compassionate and ethical individuals by mentoring students within vitally engaging learning environments, ever mindful of such Franciscan values as individual dignity, community inclusiveness, and service to others.
Violent Felony Offenses

All violent felony offenses reported to the University, occurring on campus or on University-owned property, will be reported to an appropriate law enforcement agency. Anyone wishing to report a violent felony should do so through Safety and Security Services.

Missing Persons

The University must report all missing persons immediately to local law enforcement. “Missing person” means any student of St. Bonaventure University who resides in a facility owned or operated by the University, and who is reported to the University as missing from his or her on-campus residency for 24 hours or more. However, the University is not required to wait 24 hours before reporting to law enforcement.

The University will also contact any person designated by the student as their “Missing Person Contact” should the student be determined to be missing for 24 hours or more. All residential students are encouraged to file information of their “Missing Person Contact” during check-in at his/her residence hall. This information can be edited or changed at any time by the student by contacting a residence life staff member. If a student does not register this information, the University will notify the student’s parent or legal guardian, and/or latest emergency contact information on file. All emergency contact information and missing persons contact information is collected and stored on a database accessible only by appropriate staff.

If a student is under 18 years of age, the University must contact the student’s parent or legal guardian no later than 24 hours after the time the student is determined missing.
How to Report a Crime and/or Emergency On-Campus

Medical Emergency
Dial 716-375-2525
or 9-1-1

Every student, faculty and staff member should take a moment to input the number for Safety and Security Services into their phone (716-375-2525). You can also dial 911, whether you are on campus or off. To expedite appropriate emergency response, be prepared to give your exact location, the nature of the emergency, and as many details about the situation as possible (see “Medical Emergencies” in your Emergency Response Guide”). Security Services web page

The Medical Emergency Response Team (MERT), a volunteer organization staffed by certified students who are advised and work with Health Services, assists Safety and Security Services in responding to medical and other emergencies. Calling Safety and Security Services dispatches MERT until additional personnel can arrive from off-campus agencies if needed.

There are “blue light” phones located around campus in case of emergency. Picking up the phone will immediately put you in touch with Safety and Security Services. Additionally, there are yellow emergency call boxes located at the entrance of most residence halls on campus. If you push the large red button, it will immediately put you in touch with Safety and Security Services.

Reporting a Crime in Progress/Active Threat
Dial 716-375-2525
or 9-1-1

If you are a witness to a crime in progress, stay calm and assess the situation. Determine the location of the threat if possible, and dial Safety and Security Services (or 911 if you do not have the number for Safety and Security) as soon as it is safe to do so. Be prepared to give the location and nature of the threat/incident, the name and/or description of all persons involved, and the person’s direction of travel and description of vehicles if applicable (see “Crime In Progress/Active Threat” in your Emergency Response Guide).

Reporting a Crime

Safety and Security Services (716-375-2525, located on the First Floor of Robinson Hall) is the office to which all crime should be reported, whether it is a crime in progress, crime that has already happened, or crime that does not require immediate assistance.

The following numbers/contacts may be utilized for further support:

Cattaraugus County Sheriff – 716-938-9191

New York State Police – 585-268-9030

SBU Silent Witness Program – may be accessed at MySBU.edu. Information reported through the silent witness program is utilized to help provide direction for investigation. It is checked periodically, and should never be used to report an emergency or crime in progress.
Also, you may contact a Residence Director or Resident Assistant AT ANY TIME for support. If you cannot locate a residence life staff member, you can call Safety and Security Services, and they will contact the Residence Director on-duty to assist you.

The Family Educational Rights and Privacy Act

Pursuant to the Family Educational Rights and Privacy Act of 1974 (FERPA), St. Bonaventure University (the “University”) adopts the following policy:

A. GENERAL PROVISIONS

1. EDUCATION RECORDS. Education records are those records maintained by the University that directly relate to a student. Education records do not include: records of instructional, administrative and educational personnel that are in the sole possession of the maker and not accessible to anyone other than a temporary substitute; records of campus security maintained solely for security purposes and accessible only to security personnel; alumni records; and student health records.

2. EXPLANATION OF RECORDS. The University will respond to reasonable requests for explanation or interpretation of education records.

3. FERPA COORDINATOR. The Registrar’s office has been designated to coordinate FERPA procedures.

4. RECORDS MAINTAINED BY THE UNIVERSITY. Education records covered by FERPA and maintained by the University are: admissions, personal, academic, and financial files; and academic and placement records.

5. ANNUAL NOTICE. On an annual basis the University will notify students currently in attendance at the University of their rights under FERPA. The content of this notice will be in compliance with all federal regulations enacted under FERPA.

B. REVIEW AND CHALLENGE TO CONTENT OF RECORDS

1. RIGHT TO INSPECT. Except as limited below, students have the right to inspect and review information contained in their education records, to challenge their content, to have a hearing if the outcome of that challenge is unsatisfactory to them, and to submit explanatory statements for inclusion in their education records if the decision of the hearing is against them. Student health records, while not considered education records under this policy, may be reviewed at the student’s request by a physician of the student’s choosing.

2. LIMITATIONS ON RIGHT TO INSPECT. Education records excepted from the right to inspect and review outlined in paragraph 6 are:
   a) Education records containing information about more than one student, (in which case the University will permit access only to that part of the record that pertains to the inquiring student);
   b) financial records;
   c) confidential letters and recommendations placed in the student’s file prior to Jan. 1, 1975, that are used solely for the purpose for which they were intended; or
   d) confidential letters and recommendations placed in the student’s file after Jan. 1, 1975, to which the student has freely waived his or her rights of inspection and review in a signed statement, and which are associated with admissions, application for employment, or receipt of honors. If a student has waived the right of inspection under this section, the University will, upon request, give the student
names of persons providing confidential letters of recommendation. A student may prospectively revoke such waiver with a signed statement.

3. PROCEDURES TO REQUEST INSPECTION. Students wishing to review their education records must make written requests to the Office of the Registrar listing the item or items of interest. Records covered by FERPA will be made available to a student within 45 days of request. Students may have copies of their records made by the University at the students’ expense and at the price of 10 cents per page. The University will not destroy an education record if there is an outstanding request to inspect it.

4. RIGHT TO CHALLENGE CONTENT OF RECORDS. Students who believe that their education records contain information that is inaccurate or misleading, or is otherwise in violation of their privacy or other rights, may request the University to amend the records through written application to the Registrar. The Registrar will decide within a reasonable period of time whether or not to amend the record as requested. If the University decides not to amend the record, it will inform the student of this decision and of the student’s right to a hearing.

5. RIGHT TO A HEARING. A student’s request for the hearing provided for in Paragraph 9 must be made in writing to the Vice President for Academic Affairs who, within a reasonable period of time after receiving such request, will inform the student of the date, place and time of the hearing. The student may present evidence relevant to the issues raised and may be assisted or represented at the hearings by one or more persons of the student’s choice, including an attorney, at the student’s expense. The panel that will decide such hearings will be composed of three administrators who have no direct interest in the outcome of the hearing (the “Panel”) appointed by the Vice President for Academic Affairs. Decisions of the Panel will be final, will be based solely on the evidence presented at the hearing, and will consist of written statements summarizing the evidence and stating the reasons for the decisions, and will be delivered to all parties concerned. The education records will be corrected or amended in accordance with the decisions of the Panel if the decision is in favor of the student, and the student will be so informed in writing. If the decision is against the student, the student may place a statement in the education records commenting on the information in the records, or setting forth any reasons for disagreeing with the decisions of the Panel. This statement will be maintained as part of the education records, and released whenever the records in question are disclosed.

C. DISCLOSURE OF PERSONALLY IDENTIFIABLE INFORMATION

1. DISCLOSURE. Personally Identifiable Information is any information that would make the student’s identity easily traceable. Except as such disclosure is permitted by law, no one outside the University shall have access to, nor will the University disclose, such information from a student’s education records without the signed written consent of the student specifying: the records which may be disclosed, the purpose of the disclosed and the identity of the parties to whom disclosure is made. Under FERPA disclosure absent consent is permitted:
   a) To personnel within the University whom the University has determined have legitimate educational interest in the information. Only those employees of the University, individually or collectively, acting in the students’ educational interests are allowed access to student education records. These employees include faculty and personnel in the Offices of:

Ms. Nancy K. Taylor
Interim Vice President for Finance & Administration (Financial Records)

All on a need-to-know basis:
b) To officials of other institutions in which students seek to enroll;

d) To persons or organizations providing student financial aid which the student has received, or for which the student has applied, provided that the information requested is necessary to determine eligibility for aid, the amount of aid, the conditions for aid or to enforce the terms and conditions of the aid;

h) To persons in an emergency in order to protect the health or safety of students or other persons.

2. DIRECTORY INFORMATION. “Directory Information” is information contained in a student’s education record which would not generally be considered harmful or an invasion of privacy if disclosed. The University has designated the following types of information as directory information: student name, permanent and college addresses, telephone numbers, e-mail address, photograph, Commencement video, date and place of birth, major field of study, dates of attendance, degrees and awards received, and most recent previous educational agency or institution attended by the student, participation in officially recognized activities and sports, and weight and height of members of athletic teams.

3. DISCLOSURE OF DIRECTORY INFORMATION. Under FERPA, directory information may be disclosed by the University for any purpose at its discretion. Currently enrolled students may withhold disclosure of any or all directory information pertaining to them by notifying the Registrar in writing no later than five (5) days after the first day of class in the fall semester to this effect. Requests for non-disclosure will be honored by the University for only one academic year; therefore, requests to withhold directory information must be filed annually.

4. DISCLOSURE RECORDS. The University will maintain a record of each request for access to and each disclosure of personally identifiable information from a student’s education record, unless the request is from the student, University personnel, or a person with consent, or is for student directory information. This record will include the name of the party requesting the information and their interest in it. This record will be maintained with the student’s education records.

D. COMPLAINTS

1. COMPLAINTS. Students who believe that the University has failed to accord them their rights under FERPA may file complaints with The Family Policy and Regulations Office, U.S. Department of Education, Washington, DC 20202.

The Board of Trustees of the University reserves the right to advance the requirements for admission, to change the courses, the requirements for graduation, degrees, tuition, fees and regulations affecting the student body. Such regulations will apply to all old and new students and will go into effect on the date when promulgated by the University. Student Code of Conduct

Statement of Purpose
St. Bonaventure University is an institution devoted to the Franciscan values of investigation, wonder, knowledge, love, reflection, wisdom, understanding and humility. These values are the core components of our community. As members of the St. Bonaventure University community, the University expects students to act in congruence with not only New York State and Federal Laws, but also their own personal values, and the values of our Franciscan tradition.

The purpose of the Student Code of Conduct is to provide guidelines to students so they can make informed decisions and understand what they should expect from themselves and each other. It is
also designed to challenge students to further develop high personal standards and virtues while growing in our community. The judicial process is designed to educate students, and encourage them to reflect upon the decisions they make. Sanctioning is intended to enhance student development.

All procedures outlined below apply to policies outlined within this document, with the exception of violations of the Gender-Based and Sexual Misconduct Policies. Procedures for handling reports of Gender-Based and Sexual Misconduct violations, or crimes of Rape, Sexual Assault, Stalking, Domestic Violence, or Dating Violence, are outlined within Appendix S.

Student Rights/Responsibilities
(adapted, in part, from *Siena Life*, Siena College’s Student Handbook)
A safe, respectful and happy living and learning community does not happen on its own. It is a mutual agreement between the University and its students, and individual behaviors and actions will have an effect on the sustainability of this community. The following is what a student’s rights and responsibilities are:

As set forth in St. Bonaventure University’s Student Code of Conduct, all St. Bonaventure students have the right …
1. … to be treated respectfully as a member of the St. Bonaventure community.
2. … to be allowed the opportunity to learn, including having access to ideas, facts and opinions.
3. … to a fair and impartial academic and judicial hearing process for the review of allegations of misconduct as well as an impartial appeals process.
4. … to an evaluation of his/her academic performance free from discrimination on the basis of race, religion, color, sex, age, national and ethnic origin, sexual orientation, disability status, marital status, veteran status and political affiliation.
5. … to expect the University to foster an academic and living environment free from violence, harassment, or any physical threats from any other member of the St. Bonaventure University community, and for the University to address, investigate, and/or take any other appropriate measures against any member of the University community who infringes on this right as stated.
6. … to expect courteous and professional conduct from University faculty, staff and administration.
7. … to administrative representation by the Student Government Association, comprised of student-elected and appointed representatives.
8. … to reasonable living standards as well as appropriate and timely maintenance of on-campus living accommodations.
9. … to reasonable accommodation and support by University faculty, staff, and administration for students with physical, mental health or learning disabilities.

As set forth in St. Bonaventure University’s Student Code of Conduct, all St. Bonaventure students have the responsibility …
1. … to treat all members of the St. Bonaventure University community with dignity and respect.
2. … to respect the personal property of all members of the St. Bonaventure community.
3. … to recognize and respect the rights of all members of the St. Bonaventure community.
4. … to refrain from discriminating against other members of the St. Bonaventure University community on the basis of race, religion, color, sex, age, national and ethnic origin, sexual orientation, disability status, marital status, veteran status and political affiliation.
5. … to become an active learner, fully engaged in both intellectual and human growth.
6. … to cooperate, to the best of his/her ability, with all investigations involving violations of the code of conduct and/or crimes committed on campus.
7. … to exercise these rights and responsibilities in a reasonable manner that will not offend or violate the procedures, guidelines, and regulations as defined in the following code of conduct.

If the system of mutual respect breaks down, the University will intervene. The following sections are designed to provide students with the knowledge of how the University will hold students accountable for their actions, and how students can resolve conflicts with each other through the judicial process.

**Review of Code of Conduct, Judicial Process and Procedures, and Related Appendices**

The Code of Conduct and Process Review Committee shall be established, and convene no less than once per semester. The meeting times and locations shall be advertised no less than 48 hours in advance of the meeting.

The Committee shall report and make recommendations to the Vice President for Student Affairs. This committee shall serve two purposes:

1. To hear questions, concerns, issues and/or proposed changes to the Student Code of Conduct, judicial process and procedures, and related appendices, brought forward by any faculty, staff or student at the University, and make recommendations for change to the VPSA; and
2. Conduct a complete review of the Code, process and procedures and related appendices on a biennial basis, making recommendations for change to the VPSA.

The committee shall comprise the following members: one member of the Student Government Association executive board, five additional student members (1 student representing each class, including a graduate student), two faculty members, one staff member, one member of the Franciscan order, and the chief judicial affairs officer. Committee membership will be solicited publicly from the University community. The VPSA and SGA President (regardless of whether he or she is serving on the committee) shall appoint committee members, and a chair(s) will be chosen from among this membership.

**Jurisdiction**

**A. Cooperation with Code of Conduct, all associated University policies, and NYS and Federal Laws**

All students are expected to abide by the Student Code of Conduct (outlined below), all associated University Policies outlined in the subsequent appendices, and all NYS and Federal Laws, even those not specifically outlined in this document. Students violating any of the above can be held accountable through the University’s Judicial Process, as outlined in Section VI, Implementing the Student Code of Conduct. Students found responsible for violations will be sanctioned accordingly.

**B. Conduct On/Off Campus**

Students as participants in local community affairs, as residents of, or visitors to, Allegany, Olean or other colleges and universities, are expected to abide by local, state and federal
ordinances. The University will act in situations wherein a specific act on/off campus endangers the welfare of the University and/or wherein members of the University community are harmed as a result of student conduct on/off campus:

1. When a St. Bonaventure University student, club or student organization performs an act, as a group and/or individual on/off campus, that is viewed to be in violation of the University’s welfare interests. Some examples of unacceptable behavior are creating a disturbance, damaging and stealing property, making annoying noise, etc.

2. A serious crime (either felony or misdemeanor) that can result in danger or threat of physical risk to members of the St. Bonaventure community on or off campus.

3. A fight or other type of altercation, which occurred on/off campus when the University receives complaints from one of the participants who is either a student or another member of the University community.

While the University reserves the right to handle all violations occurring off campus through the University Judicial Process, first-time minor violations will likely be dealt with through an informative meeting with the Chief Judicial Affairs Officer or his/her designee, and a written warning will be issued.

C. University Cooperation with Law Enforcement

The University will cooperate with law enforcement agencies in matters involving our students when asked to do so. Additionally, the University reserves the right to involve law enforcement in incidents and/or situations on campus which may seriously or adversely affect the health, safety or welfare of individuals within the University community. The University reserves the right to turn over confiscated illegal items to local law enforcement agencies, including but not limited to illicit substances, weapons, explosive materials, etc. The University encourages all students and employees whom have been a victim of Sexual Assault, Dating Violence, Domestic Violence and Stalking, to report such incidents to law enforcement. Anyone requiring assistance contacting law enforcement should work through Safety and Security Services.

D. Room/Property Search and Inspection

St. Bonaventure University affirms its respect for students’ rights to maximum privacy in their room, apartment, and townhouse. However, authorized personnel may enter rooms for reasons of health, safety, general welfare, or to make necessary repairs to room or room equipment. When the University has reason to believe a student is in possession of any illegal substance (including but not limited to alcohol, drugs, weapons, etc.), the University reserves the right to search personal belongings on the University premises, including student vehicles. Permission to search student belongings shall be provided by the Exec. Director of Residential Living/Chief Judicial Officer, and/or the Director of Safety and Security Services, and/or the Vice President for Student Affairs.

All residence hall facilities are subject to unannounced fire safety inspections throughout the year. These inspections may be conducted by authorized personnel from the student life division, maintenance department, and the New York State Office of Fire Prevention and Control. Inspections will occur regardless of whether students are present in the room at the
time. Additionally, whenever a residence hall is evacuated, all rooms in the building may be entered to ensure each person has exited.

When the University closes its residence halls for a break, including but not limited to winter break and spring break, members of the Residence Life and/or Safety and Security Staff will conduct inspections to ensure proper break departure procedures have been followed.

Any time a University official enters a residence hall room, policy violations will be documented, and said officials may confiscate items which may be considered violations. Confiscated personal property will be secured pending further investigation and/or judicial action. When possible, confiscated personal property will be returned to the student when he/she can make arrangements to remove it from campus.

E. University Right to Take Action (Summary Suspension/Mandatory Leave of Absence)

When a student or a group of students pose a threat to other members of the University Community, or when their continued presence on campus would be likely to cause serious disruption in campus activities, the Vice President for Student Affairs, in consultation with appropriate University officials, may take immediate action in the form of a summary suspension, or mandate a leave of absence. A summary suspension may occur for possible disciplinary issues, especially if there is a possibility a student could be a threat to the community, or an individual member of the community. The threat may be construed to be physical, behavioral or psychological. When a summary suspension or mandatory leave of absence is enacted, individuals will be required to immediately remove themselves from the University until it is determined that it is safe for the individual(s) to return to campus. The Vice President for Student Affairs will make such determination in consultation with appropriate University personnel.

Procedures for issuance of Summary Suspension/Mandatory Leave of Absence
1. When possible, the initial communication of the summary suspension or mandatory leave will be made verbally to the student(s) affected by the Vice President for Student Affairs or by his designee. If it is not possible to communicate this action verbally, written communication will suffice. However, every effort will be made to communicate this decision verbally.

2. The University will take reasonable steps to notify the affected student(s) in writing of the decision within 72 hours. If the student(s) has been required to leave campus before such written notice is delivered, the written notice will be mailed to the student’s home and/or campus address as indicated on the student’s personnel file (or other such document of the University) within 72 hours of the oral notification. The notification will also include information regarding any stipulations peculiar to this decision, and conditions for the student’s return.

F. University’s Right to Pursue Administrative Judicial Action Before, During or After Legal Proceedings

The University reserves the right to pursue administrative action before, during or after other legal proceedings which may involve the same individual(s)/incidents. Provided there is no perceived threat to the health, safety or welfare of individuals in the University community, or the community as a whole, the University may choose to wait until legal proceedings are complete before conducting an administrative or judicial board hearing. However, students will receive advisement as to the official charges the University is bringing forward. Should
the University feel it is in the best interest of all parties involved to wait until a legal process is complete, the University may decide to impose interim sanctions on one or more parties until a hearing process is held (see E. above).

G. Students with Disabilities
Students with disabilities who believe they may need special accommodations through any aspect of the hearing process are encouraged to contact Disability Support Services Office, at 375-2065, prior to the University hearing process, to better ensure that such accommodations are implemented. Proper documentation must be on file with Disability Support Services in order for a student to request such accommodations.

Behaviors outlined below are also considered a violation of the maintenance of a safe, healthy and positive living and learning environment:

Any behavior contrary to the University policy on Maintenance of Public Order/Public Demonstrations would be considered a violation. *For University Policy on Maintenance of Public Order/Public Demonstrations, see Appendix O.*
Implementing the Student Code of Conduct

Maintaining and implementing the Student Code of Conduct is the responsibility of every member of the University community. Students, staff and faculty should, through their behavior, reinforce the ideals expressed by the Code, and encourage every student to do likewise. Administratively, the Office of the Vice President for Student Affairs, the Office for Residence Life, and the Department of Safety and Security are primarily responsible for assuring compliance with the Code. In most instances, residence hall staff or Safety and Security officers will report potential violations of the Code to the Vice President for Student Affairs or the Executive Director of Residential Living/Chief Judicial Officer. The Vice President and his/her designee are responsible for reviewing student conduct in general, educating students about appropriate community standards, and as needed, assigning sanctions for the purpose of encouraging compliance with those standards.

As noted above, all procedures outlined below apply to policies outlined within this document, with the exception of violations of the Gender-Based Discrimination and Sexual Misconduct Policies. Procedures for handling reports of Gender-Based Discrimination and Sexual Misconduct violations are outlined within Appendix S.

A. Initiating a Complaint

Any University student, faculty member or staff member who believes that a student has violated the Student Code of Conduct may file a complaint with the Office of the Vice President for Student Affairs, the Department of Safety and Security, or the Office of Residence Life. The Individual filing the complaint is referred to hereinafter as the complainant. The University itself may act as the complainant through a designated staff member or members. After filing the complaint, the Vice President and/or his designee will review the complaint and determine whether or not, if proven, the allegations would constitute a violation of the Student Code of Conduct. If so, the individual filing the complaint will meet with the Vice President for Student Affairs and/or his or her designee to review the complaint and discuss the options available to him or her.

The individual complainant could:

a. Request the University pursue judicial action; and/or
b. Make a report to the local police; and/or
c. Request a mediation; and/or
d. Make a statement for the record with the Office of the VPSA, Department of Safety and Security, or the Office of Residence Life.

The complainant will have 180 days from the date of the alleged incident to decide whether or not to have the University pursue the complaint judicially. The University reserves the right to exercise discretion on taking disciplinary action against students. If the University itself receives actionable information beyond the 180 day time period after an incident has occurred involving a crime, the University as the complainant may still pursue judicial action with no time restriction.

Should a student request mediation, and the VPSA or his designee deems this an appropriate course of action, mediation will be scheduled. Written documentation of any mediation agreements will be retained in the Office of Judicial affairs. Should either party violate the written mediation agreement, the University or the aggrieved party could choose to pursue University judicial action as a result (see “Failure to Comply” in the Student Code of Conduct).
B. Student Procedural Rights

If the University or a complainant elects to pursue judicial action, an Administrative Hearing Officer will be appointed to hear the case. The hearing officer will not be someone who was involved in the initial documentation of the violation. The Administrative Hearing Officer will schedule a judicial meeting with the accused student. If a student fails to respond, or appear at the scheduled hearing, the Administrative Hearing Officer may find that student responsible in his/her absence and sanction the student accordingly, or place a judicial hold on the student’s records until the meeting takes place.

At a judicial meeting, the student is notified of the alleged violation of the Code and afforded the opportunity to review the factual allegations that led to the charge. The Administrative Hearing Officer will explain the rights and options available as well as describe potential sanctions for the alleged violation in question.

The accused student has the following procedural rights when charged with a violation of the Student Code of Conduct:

1. The right to notice of the charge that a violation of the Code has allegedly taken place;
2. The right to notice of the factual allegations that form the basis for the charge;
3. The right to notification of disciplinary proceedings;
4. The right to have the University or complainant bear the burden of proof by a preponderance of the evidence;
5. The right to present a defense including the right to review all evidence presented at a hearing and present relevant witnesses; and
6. The right of appeal consistent with the provisions of this Code.

The accused student has the following procedural options when charged with a violation of the Code of Conduct:

1. If the Administrative Hearing Officer determines that the sanction for an alleged violation may result in suspension, the student may:
   a. Admit or deny the charge and request a hearing with the Administrative Hearing Officer; or
   b. Admit or deny the charge and request a hearing before a University Judicial Board. However, the decision to go to a judicial board rests ultimately in the hands of the VPSA and/or the Chief Judicial Affairs Officer.

2. In all other cases where the Administrative Hearing Officer has informed the student that a potential sanction would NOT result in suspension or expulsion, the accused student may:
   a. admit to the charge in an administrative hearing process and be sanctioned by the Administrative Hearing Officer (Administrative Action); or
   b. deny the charge in a hearing with the Administrative Hearing Officer.

*All violations that may result in the expulsion of a student will be heard by a University Judicial Board.

C. Administrative Hearing

Most Student Code of Conduct violations will be heard by an Administrative Hearing Officer (AHO). The AHO will follow the general procedures outlined for the University Judicial Board in conducting this hearing. The Chief Judicial Affairs Officer may determine that due to the nature or complexity of the facts of the case, it would be beneficial to have a hearing before the University Judicial Board. If this is the case,
a University Judicial Board will convene and the Chief Judicial Officer or her designee will notify all parties involved of this decision.

D. University Judicial Board
While an AHO will ordinarily hear cases involving alleged violations of the Code, a UJB has the authority to hear cases involving alleged violations of the Code under the following circumstances:

1. where the Chief Judicial Affairs Officer has determined that, because of the nature of the alleged offense, or because the pattern of behavior warrants special attention, suspension or expulsion may be the proper sanction if the charges are substantiated; and/or
2. the accused student requests such a hearing; or
3. the CJAO has determined that due to the nature or complexity of the facts of the case, it would be beneficial to have a hearing before the UJB.

A UJB is composed of 3 students, 1 faculty member and 1 staff member.

An AHO, as assigned by the VPSA or his/her designee, will serve as the non-voting Chairperson of the UJB to assure an orderly hearing and that fairness is observed.

E. Judicial Board Member Selection
A pool of judicial board members shall be formed through the following process:
1. A nominating committee shall form and shall comprise one SGA senator, one SGA appointed student, one faculty member and one staff member, all appointed by the VPSA.
2. The CJAO shall advertise publicly any open vacancies for judicial board members.
3. Employees and students can either nominate fellow colleagues, or self-nominate. All nominees will be asked to file an application with the Office of Judicial Affairs.
4. Applications will be reviewed by the nominating committee, and recommendations will be made to the VPSA.
5. The VPSA and the SGA President will appoint the pool of judicial board members.

F. University Judicial Board General Procedures
All judicial proceedings are closed to anyone who is not a student, faculty, staff or Clergy of the University. All hearings shall be held in appropriate University facilities designated by the CJAO and shall be private. The University does not permit observers, relatives, or legal counsel for either the complainant or the respondent to be present at, or participate in judicial proceedings. The role of the advisor in any judicial proceeding is to be of support to the student. Advisors are not permitted to ask or answer questions, nor are they to interfere in the process for any reason at any time.

The Chairperson will inform the student(s) of the policies and procedures for the hearing. The respondent must cooperate fully with the Board. If the respondent fails to appear at the scheduled hearing and the Chairperson does not excuse his/her absence, the hearing may proceed without him/her.

The reporting party and the respondent will present statements concerning the alleged violation and may present relevant witnesses. Students shall provide a list of witnesses to the Judicial Affairs Office prior to the hearing. The VPSA and/or his designee, or the board Chairperson, has the option of granting immunity to a witness should the witness be in fear of testifying because his or her testimony may reveal he or she is in violation of University
policies. However, it is the witness’s responsibility to request such immunity. The respondent, the reporting party and the UJB may review all evidence presented at the hearing.

Hearings shall be conducted in such a manner as to permit the panel to achieve substantial justice. Participants will conduct themselves in accordance with these objectives. Therefore, no board member (other than the Chairperson) shall discuss the case with anyone prior to or after the proceedings. Formal rules of evidence shall not apply. Questions regarding the admissibility of any evidence shall be within the Board’s discretion.

After all statements have been presented, the complainant and the accused student may summarize their positions. Subsequently and in private, the UJB will determine by a preponderance of evidence with a majority vote whether the accused student has violated the Code. The UJB will make known its decision and the basis for the decision to the Chairperson. The Chairperson will inform the accused student and the complainant of the UJB’s decision and basis for the decision subject to the limitations of federal law.

Should a student be found responsible for any violation of the Code of Conduct or any related policies, the Board will then determine appropriate sanctions.

Sanctioning
After a finding or admission of responsibility, the Administrative Hearing Officer and/or Judicial Board will impose sanctions after considering the following:
1. Statements made at the judicial meeting and/or at any hearing;
2. Prior disciplinary record of the student,
3. Disciplinary precedent;

Sanction Notification for Reporting Party and Respondent
In all administrative hearing processes, the student found responsible of policy violations will be notified in writing of the sanctions levied against them as a result of said violation(s). In University Judicial Board cases, the Chairperson will notify the respondent in writing of the sanction(s) imposed.

In situations where one student pursues charges against another student(s), both the reporting party and the respondent will receive written notification of sanctions imposed.

Sanctions for Violations of the Code
The following disciplinary sanctions shall comprise the range of official actions that may be imposed for violations of regulations. One or more may be imposed in response to a given situation. Additional sanctions are possible for violations of the Gender-Based Discrimination and Sexual Misconduct Policy. Those sanctions are outlined accordingly in Appendix S.

A. Verbal/Written Disciplinary Warning
Written Disciplinary Warning is an official verbal/written notice to a student that a particular action or type of behavior is in violation of stated regulations or policies, and, therefore, unacceptable. Continuation of similar behavior or future violations may be cause for more severe disciplinary action.
B. Disciplinary Fines
These monetary payments may be for punitive purposes or for purposes of restitution because of damage to persons or property; or misappropriation of property. Payments can be made to the Bursar's Office.

C. Community Service
An action that requires a student to give a specific number of hours of uncompensated service to some task recognized as valuable to the University community. The Administrative Hearing Officer will make the particular assignment of duties. The person under whose direction the work is done shall certify to the AHO when the work has been completed. Failure to complete the service within a specific period of time will result in additional disciplinary action. The Administrative Hearing Officer has the discretion to assign work in the community-at-large or on-campus service.

D. Attendant Restrictions
In conjunction with the sanctions above, students may be subject to one or more of the following attendant restrictions:
1. Loss of Good Disciplinary Standing: an action that excludes a student from representing the University in intercollegiate activities, or from holding any elected or appointed office in a University-recognized organization, or from being selected for certain committees or programs, or from membership in student organizations for a stated period of time.
2. Disciplinary Residence Hall Room Change: an action that requires a student to vacate his/her current room and relocate to another room because of disciplinary reasons.
3. Exclusion from University Buildings, Intramural Sports, Extracurricular and Residence Hall Activities: an action that excludes a student from university buildings, intramural sports, extracurricular activities and residence hall activities for a stated period of time.
4. Restrictions on Housing Lottery: an action that may exclude a student from participation in a particular housing lottery or affect his or her ranking within a particular lottery.
5. Judicial Hold on Records: A judicial hold may be placed on the academic records of any student who fails to comply with any requirements imposed following a violation of the Code of Student Conduct. A judicial hold may prevent, among other things, class registration, the release of transcripts, and the award of a diploma. Students who are suspended or expelled from the University are subject to a judicial hold to prevent class registration.
6. Educational Measures: An action that requires the student to complete an educational task as assigned by the AHO or the VPSA and or his/her designee. Failure to complete this assignment within a specific period of time will result in additional disciplinary action. Educational measures may include but are not limited to: participation in counseling on- or off-campus, attending content specific programming, completing on-line courses such as MyStudentBody, writing reflection papers, etc.

E. Disciplinary Probation
Disciplinary probation is an official written notice to a student that violation of University regulations or policies, or patterns of behavior contrary to University standards or expectations, will not be tolerated. Repeated offenses or violations of any conditions of probation will result in more severe action, including possible suspension or expulsion from the University. Disciplinary Probation lasts for a stated period of time and a copy of the probation notice is maintained in a disciplinary file in the Office of the Vice President for Student Affairs.

F. Loss of Campus Residency
Loss of Campus Residency is an action that excludes a student from residence on campus. A student who loses campus residency may be considered for future on-campus accommodations at the discretion of the Vice President for Student Affairs.
G. Suspension
Suspension is an action that excludes a student from registration, class attendance, residence on campus, and use of University facilities for a specific period of time. Suspended students are not permitted on the campus without prior approval of the Vice President for Student Affairs. Suspension is recorded in a disciplinary file in the Office of the Vice President for Student Affairs. Upon termination of the period of suspension, the student shall be considered for readmission if:
1. the student is academically eligible for readmission; and
2. the student has complied with any conditions for readmission placed upon the student by the Vice President for Student Affairs and/or his designate, or stipulations outlined by a University Judicial Board.

H. Expulsion
Expulsion is an action that permanently excludes a student from registration, class attendance, residence on campus, and use of University facilities. Expelled students are not permitted on the campus for any reasons. Expelled students who enter the campus are subject to arrest. Disciplinary expulsion is recorded in a disciplinary file in the Office of the Vice President for Student Affairs.

I. Revocation of Degree
The University reserves the right to revoke a degree awarded from the university for fraud, misrepresentation, or other violation of University policies, procedures or directives in obtaining the degree, or for other serious violations committed by a student prior to graduation.

St. Bonaventure University reserves the right to notify parent(s) / legal guardian(s) about the disciplinary status of their son/daughter/ward to the extent consistent with the provisions of the Family Educational Rights and Privacy Act. (See Appendix P, Parental Notification Policy)

Maintenance and Destruction of Disciplinary Files
A copy of all disciplinary files will be maintained in accordance with all applicable laws through the Office of the Vice President for Student Affairs for seven years, in addition to the current year. After seven years, physical disciplinary files will be destroyed. Upon graduation or withdrawal from the University, or at the request of a currently enrolled student, disciplinary records will be disclosed to third parties in accordance with federal law and the abovementioned timeline, as follows: Violations that resulted in a sanction of disciplinary probation, loss of housing and loss of good standing will be disclosed for two years after graduation/withdrawal; violations that resulted in a sanction of suspension or expulsion will be disclosed for as long as the file is required to be kept in accordance with the abovementioned timeline.

Sanctioning Guidelines for Off-Campus Incidents
Students are representatives of St. Bonaventure University when they are off campus. As such, the University takes students’ off-campus conduct seriously and can pursue judicial sanctioning for violations occurring off campus. In most cases, minor, first-time infractions will be handled by a simple meeting where a letter of written warning is delivered.

Alcohol Related Medical Issues
Alcohol consumption that results in students needing medical attention, either from MERT or Olean General Hospital, will be treated seriously by the University. However, a students' first alcohol-related medical issue
will not be treated punitively. Students will be required to meet with a University administrator to discuss the behavior. Students will likely be required to complete MyStudentBody and attend counseling to explore their alcohol use. Parents or legal guardians will be notified. Future alcohol related medical issues can be handled judicially and may result in punitive sanctioning.

Interim Sanctions

Summary Suspension
The Vice President for Student Affairs or designee may impose interim sanctions up to and including a summary (interim) suspension upon notification of alleged violations where the interim sanctions are advisable to protect and maintain the safety of the University community. Interim suspensions can be imposed when the accused student's presence on campus might threaten the physical, mental, or emotional condition of any member of the University community for reasons relating to the safety, security and/or welfare of any member of the University community.

During an interim suspension, a student shall be denied access to all campus facilities (including but not limited to academic buildings, residence halls, library, dining facilities, and sporting events) and any University sponsored functions.

Students will only be permitted on campus for reasons relating to their judicial hearing, or other meetings with University officials relating to the issue. Students shall receive either hand-delivered or by certified mail, written notice of the interim sanction as well as notice of the alleged violations and date and location of the reported incidents. Students will be made aware of the type of hearing that will take place; the date, time and location of the hearing; and the hearing procedures that will be followed.

The University may notify parents or legal guardians of the imposition of interim sanctions.

No Contact Orders
The Vice President for Student Affairs, Chief Judicial Officer, Residence Life professional staff members, or designee may impose no-contact orders between individual students or groups of students.

A no-contact order forbids both direct and indirect contact between the involved students. Indirect contact includes electronic communication and messages sent via other people.

In the event that a no contact order is issued outside of normal office hours, a verbal order shall suffice until a written letter can be delivered. Email communication or other forms of electronic communication of no-contact shall also be considered written notification.

Students found to be in violation of a no-contact order can be put through a judicial process resulting in sanctions up to and including suspension, or given a summary suspension if another judicial process is pending.

Access Restrictions
The VPSA, CJAO, Residence Life professional staff members, or designees may impose access restrictions on students to prohibit their entry into campus facilities and functions, including but not limited to residence halls and the Richter Center.

St. Bonaventure University reserves the right to notify parents/legal guardians about the disciplinary status of their son/daughter/ward to the extent consistent with the provisions of the Family Educational Rights and Privacy Act.
Temporary Withholding of Degree/Diploma; Denial of Participation in Commencement
The University may withhold a student’s degree and/or diploma for a specified period of time and/or deny a student participation in commencement activities if the student is the subject of a pending complaint or investigation, or has disciplinary charges pending.

Appeals
The Vice President for Student Affairs or his/her designee will hear appeals regarding decisions made by an Administrative Hearing Officer. The VPSA shall follow the general guidelines below in making his determination, without convening an Appeals Board.

An Appeals Board shall be convened when either the reporting party or the responding party choose to appeal the sanction decision of the Judicial Board. The Appeals Board composition shall be:
• The Vice President for Student Affairs (VPSA) or his/her designee, and
• One faculty or staff member, and
• One student.

Appeal of Finding
The appealing student shall file a written appeal to the VPSA. Appeals may be filed for the following reasons:
• Material procedural defect in the original Judicial Board proceedings, and/or
• Presence of new material evidence that was not available through no fault of the appealing party throughout the course of the investigation, and/or
• Erroneous finding of fact, or factual evidence was blatantly disregarded.

Appeal for Review of Sanction
The VPSA or the Appeals Board will hear appeals in cases where the sanction is expulsion, suspension, loss of good disciplinary standing, or loss of campus residency, and the student believes that the sanction is disproportionate to the offense. Other sanctions are not subject to review.

Appeal Procedure
The appealing party must file the appeal electronically as a Word Document attachment via University email to the VPSA within three class days of notification of the outcome of the hearing stating the specific reason and justification for the appeal. The VPSA will review the appeal request and determine whether or not the appeal request meets the criteria outlined under “Appeal of Finding” or “Appeal for Review of Sanction”. If the VPSA determines the appeal meets the criteria, the Appeal Board will convene.

1. The Appeal Board is not a “re-hearing” of the case. It will only consider facts and issues relevant to the basis for the appeal, and will not be conducting new investigations.
2. It will be assumed by the board that the original board decision and sanctions are sound, and the burden is on the appealing party to prove otherwise. Small procedural errors that do not affect the overall outcome of a case, such as typos, misspellings, or other errors or mistakes that have no bearing on the outcome will not be considered grounds to overturn a decision.
3. The Board shall meet with the appealing party, and may meet with anyone else deemed necessary to make their determination, including the investigators in the case.

4. Within 5 class days, the Board will make one of the following decisions:
   a. **Finding/Sanction Stands:** If upon review of relevant information the Board finds that there is no merit to the appeal, or that any issue brought up in the appeal would not change the finding or the appeal, then the Board will affirm the finding and sanction. This decision is final, and the case is closed.
   
   b. **Remand to the Board:** Only in cases where new evidence is available, or a procedural defect occurred, should a case be remanded to the judicial board. The purpose for remanding to the board is **not** for an entire new hearing, but only to correct the procedural defect, or consider the new evidence. Upon correcting defect or considering new evidence, the board should determine whether their finding would change in light of this information. The judicial board should re-convene, consider the new information, gather any new testimony necessary, and make a new final determination, following the same procedures for notifying the reporting and responding parties. The Appeals Board will review the new finding to ensure its efficacy, and determine proper courses of action. Should the original board’s finding change, and a student is now found “Not Responsible” for the violation, and the Board upon review accepts this new finding, all sanctions will be overturned and the case will be closed. Accommodations may remain in place, including no-contact orders. Should the original board’s finding change, and a student is now found “Responsible” for the violation, the sanctions determined by the judicial board would be submitted to the Appeal’s Board and reviewed for efficacy. The Appeal’s Board will notify the reporting and responding parties, and the case will be considered closed.
   
   c. **Determine New Sanction:** Should the Board determine that disproportionate sanctions were given, the Appeals Board will determine new sanctions. The Appeals Board Sanctions are final. No corrective action will be implemented that violates any provision of a St. Bonaventure University employment contract. All sanctions/corrective actions shall be in accordance with the University’s Discrimination and Harassment Policy found in the Governing documents.

Appendix A – University Policy on AIDS

Overview of AIDS Policy: In February of 1991, the Board of Trustees of St. Bonaventure University approved a comprehensive AIDS policy. This policy affects every member of our community in an effort to respond to this issue. It commits the University to an extensive, annual, proactive education program designed to meet not only its legal responsibilities, but also its moral responsibilities to each member of the University family. What follows is a synopsis of this policy.

Legal Issues: According to the Federal Rehabilitation Act and New York State Anti-Discrimination Laws, AIDS, AIDS Related Complex (ARC) and positive HIV status are considered handicaps. Because of this, the information that a person has a positive HIV status is protected under the New York State Public Health Law. Hence, no one has a right to know the HIV status of another individual. Because the HIV virus cannot be transmitted by casual contact, the general public is not in danger of contracting the virus through normal daily contact with an infected person. No one, therefore, has any right to know the HIV status of any member of the Bonaventure community. The primary focus of the University’s AIDS policy is on education. It is only through education that the spread of this disease can be prevented. Every student, staff worker, faculty member and administrator must know the kinds of behaviors and what kinds of situations can put them at risk of contracting HIV. For example, students put themselves at risk by sharing a razor blade or ear-piercing needle. Safety and Security and Health Services staff should routinely use protective gloves and bleach solution to deal with spit, blood or other bodily fluids. Everyone must know when they are at risk, assume that others may be infected, and observe Universal Precautions in such situations. Universal Precautions are a set of safety procedures observed by all health care professionals.

Policies: AIDS epidemiology, transmission, prevention, individual risk assessment, blood testing and post-test counseling and partner notification will be the primary foci of AIDS health service at the University. The Center for Student Wellness staff is prepared to provide medical care, support, referral, resources and education to students, faculty, administrators, and staff with AIDS or with concerns about AIDS. All medical information will be handled in a strictly confidential manner in accordance with the law. The Student Health Services staff will also update and advise the University on the latest data related to the prevention of HIV transmission.

No one will be discriminated against with regard to admission or employment on the basis of his or her HIV status. As an employer, the University has a legal obligation under the Occupational Safety and Health Act to provide a safe working environment for its employees. Appropriate measures are taken to provide employees with information about Universal Precautions and equipment necessary for observing these precautions.

Appendix B – Academic Honesty Policy

This policy is outlined in this document for reference only, and acts of academic dishonesty are not processed through the University Judicial Process.

In all cases where academic dishonesty is suspected, these are the procedures to be followed: A faculty member who has evidence that a student has committed an unacceptable practice shall inform the student of the allegation, present the evidence and announce the sanction deemed appropriate.

A. If the student agrees to the faculty member’s charge and accepts the sanction:
   1) The faculty member shall present the student with a written charge specifying the sanction, and the student shall sign the document indicating acceptance of the charge and the sanction.
   2) The sanction shall be imposed.
   3) The faculty member shall notify the Dean of the incident, providing in writing documentation of the charge, the evidence, the sanction and the document signed by the student. (Unless otherwise specified in this document, Dean refers to the Dean of the student’s academic major [the Dean of

4) The Dean shall send a copy of all documentation to the Registrar, who shall place the documentation in the student’s academic file.

5) The Registrar shall review the student’s academic records. If there are any prior academic honesty offenses, the Registrar shall notify the Dean who shall notify the Board (hereinafter: the Board) that a hearing must be held.
   a) The Dean shall forward to the Board Chair all documentation pertaining to the incident.
   b) The Dean shall notify the faculty member and the student that the Board has been invoked in the case.

B. If the student does not agree to the charge or the sanction imposed by the faculty member:
   1) The student should not sign any documents presented to him or her by the faculty member.
   2) The faculty member shall present in writing the accusation, the evidence and the recommended sanction to the Dean, with a copy provided to the student.
   3) The Dean shall examine the evidence and confer with the student and the faculty member.
   4) If the Dean judges the charge to be justified, the Dean will inform the student and the faculty member, and uphold the sanction or impose an alternate sanction. If the student accepts the Dean’s judgment and the sanction, it shall be imposed.
      a) The Dean shall send a copy of the offense and the sanction to the Registrar, who shall place the documentation in the student’s academic file.
      b) The Registrar shall review the student’s academic records. If there are any prior offenses, the Registrar will notify the Dean who will notify the Board that a hearing must be held.
         (i) The Dean shall forward to the Board Chair all documentation pertaining to the incident.
         (ii) The Dean shall notify the faculty member and the student that the Board has been invoked in the case.
   5) If the Dean judges that the charges are not justified, the Dean will inform the student and the faculty member.

C. If the student chooses not to accept the Dean’s judgment or the sanction imposed, the matter shall be referred to the Board.
   1) The Dean shall notify the Board that a hearing must be held.
   2) The Dean shall forward all documentation (the charge, evidence and the suggested sanction [see section A above] and documentation of the Dean’s deliberations [see section B above] to the Board.

D. In all cases coming before the Board, these following procedures shall be followed:
   1) Timetable:
      a) Within 5 semester days of receiving a case, the Board Chair shall
         (i) notify the faculty member who made the initial accusation of academic dishonesty and the student that the case is now being heard by the Board.
         (ii) The Board Chair will provide a copy of all written documentation to the accused student by certified mail sent to the student’s SBU Post Office box or, when no SBU Post Office box is on file, to the permanent address on file in the Records Office.
      b) At the same time, the Board Chair may request that the faculty member provide a more detailed description of the charge and additional supporting evidence in addition to the original written documentation forwarded to the Board by the Dean. The faculty member shall provide this documentation to the Board within 5 semester days of receiving the request.
      c) The Board Chair will provide the student with a list of University faculty and professional staff members who have agreed to serve as advisors to students in such cases.
      d) The Board, through its Chair, shall schedule a hearing within four weeks.
(i) If the alleged academic dishonesty occurs during either a summer session or within four weeks of the end of a semester, the hearing must be held no later than four weeks after the start of the following regular semester.

(ii) In the case where the alleged academic dishonesty involves a student who is scheduled to graduate at the end of the semester in which the incident occurs, the Board will make every effort to render a decision as close to the end of the semester as possible.

e) At least one week prior to the hearing, the Board Chair shall notify the faculty member and the accused student of the time and place of the hearing, and provide them with a list of Board members.

f) A semester day is defined as a scheduled undergraduate/graduate class or exam day during a regular (fall or spring) semester.

g) Should a decision not be reached within five months of the dean’s receipt of the report, all charges will be dropped.

2) The student shall attend the hearing. The student is strongly encouraged to be accompanied at the hearing by an adviser (not to be confused with the student’s academic adviser). In the absence of an excuse from the Board Chair, a student who fails to appear for a Board hearing forfeits the right to defend oneself.

a) The accused student will be notified that he or she may select and contact an adviser for the hearing.

b) The Board Chair will provide the student with a list of persons who have agreed to act as advisers in academic dishonesty cases, if such a list is available. Students are not required to select an adviser from the list provided. Any member of the faculty or professional staff may function in such a role. Personal attorneys are not permitted at any meeting or hearing involved in the case.

c) Once a person has agreed to act as an adviser in a case, he or she should immediately notify the Board Chair in order to receive a copy of the written charge, the time and place of the hearing, and a list of the Board members.

d) An individual agreeing to act as the accused student’s adviser is expected to aid the student in collecting evidence and in interviewing witnesses.

e) The adviser is also expected to be present at the hearing and to counsel the student in answering and asking questions.

f) Advisers are expected to be well versed in the policy and procedures.

3) The faculty member shall attend the hearing, and bears the burden of proving the allegation of academic dishonesty by clear and convincing evidence. Hearsay evidence is inadmissible.

4) Ordinarily, the Board order and procedure for the hearing will be as follows:

a) The faculty member may make a statement, and may be questioned by members of the Board and then by the accused student and/or the student’s adviser. The student and/or the student’s adviser may make a statement, and may be questioned by members of the Board and then by the faculty member.

b) The faculty member and the student may call witnesses, who may be questioned by members of the Board and by the faculty member, the student, and/or the student’s adviser. The witnesses will be heard in an order determined by the Board Chair. Each witness will be present at the hearing only when giving testimony. Witnesses will be instructed not to discuss the case outside the hearing.

c) The faculty member, the student and the student’s adviser may also raise evidentiary and procedural objections.

d) The Board Chair together with a majority of the Board members shall be the final judge regarding the authoritative interpretation or application of any provision of this policy.

e) The Board shall meet immediately following the hearing to reach a decision, and shall ascertain that its decision is based on a careful review of all available evidence and that the evidence reflects the facts of the case. Within 72 hours, the Board Chair shall communicate in writing
the decision and the sanction to be imposed to the student, the faculty member, the student’s Dean and the Provost.

f) A student found guilty of academic dishonesty shall be assigned an appropriate sanction to be determined by the Board.
   (i) Ordinarily in the case of a first offense, the Board shall uphold the original sanction imposed by the faculty member or the Dean; however, the Board has the right to determine an alternate sanction.
   (ii) In the case of a second (or further) offense, the Board may impose the sanction determined by the faculty member or the Dean and an additional penalty the Board deems appropriate from one of two penalty categories—Censure, or removal from the university, with conditions specified by the Board.
   (iii) A student’s record of Censures shall be expunged upon graduation.

g) If the Board finds no grounds to support the allegation of dishonesty, the Board will direct the faculty member who brought the charges to assign a grade in the course based on the student’s work in the course disregarding the alleged dishonesty. In such a case, if a student wishes to appeal the grade assigned, Policy #33, Student Appeals of Grades or Other Academic Decisions becomes applicable.

5) Electronic or verbatim record of the hearing shall be permitted.

6) The record of each hearing shall consist of a detailed written report that shall include a statement of the rationale for the decision and any evidence provided.

7) As a rule, academic honesty hearings are closed and the proceedings are confidential. A hearing may be open, however, upon a written request filed with the Board Chair by the accused student.

8) The faculty member or the accused student may challenge for cause the participation of any member of the Board. Except in cases where the Chair is being challenged, the Chair’s decision shall be final regarding any challenge for cause. A unanimous decision by the remaining Board members is necessary in order to disqualify the Chair for cause.

9) The Board’s decision regarding the facts of the case and any appropriate sanction and/or penalty shall be final and will become part of the student’s academic record until the student leaves the University.

10) In cases of multiple charges of academic honesty stemming from the same incident, the Board Chair shall decide whether to combine the cases in one hearing or to schedule separate hearings. The decision of the Board Chair is final.

E. Documentation of all academic honesty incidents will remain on file in the Registrar’s office until the student leaves the University.

F) If at any point in the process the student has been cleared of the charges, the Dean shall ensure that all records pertaining to the incident are destroyed. BOARD COMPOSITION, TERMS OF APPOINTMENT AND FINDINGS REPORT The Faculty Senate will appoint three faculty members and three alternates to the Board. These appointments will be made each year in April and will begin on the first day of the fall semester of the following academic year. One of those faculty members will be elected Chair by the other members. Chairs serve a one year term, renewable once. The term of Board members will be two years. With Senate approval, members can succeed themselves once. The President of Student Government will appoint two students and two alternates to the Board with the approval of the Faculty Senate. Generally, the term of appointment will be two years; however, students who graduate or leave the university will be replaced in a timely fashion. These appointments will normally be made each year in April. At the initial constitution of the Board, the appointment of both faculty members and students will be staggered to foster continuity of Board membership.

The Board Chair is responsible for conducting all hearings that come before the Board ensuring that the rules of fair process are observed. Pursuant to these ends the Chair, among other things shall:
1. determine whether a request for an open hearing should be honored;
2. determine the order in which witnesses and other participants (for example, advisers) will be heard;
3. rule on evidentiary and procedural objections and disputed interpretations [as above] of the policy with the support of a majority of the Board;
4. ensure that a proper decorum is maintained;
5. rule on requests for change of advisers;
6. solicit faculty and professional staff members willing to serve as advisers, maintain a list of advisers and provide this list to accused students;
7. write the final decision and submit copies to the required parties;
8. choose one of the Board alternates to serve for that hearing when a Board member is unavailable to serve at a hearing.

The Board will report its findings to the accused student, the faculty member involved, the student’s Dean and the Provost. The Senate chairperson shall receive a summary of findings for each academic year. This summary shall include the number of cases, their dispositions, and shall be made public by the Senate chair. In all cases information specific to the cases will be confidential and kept by the Board Chair. NOTE: Upon promulgation of this policy all previous University policies, no matter how longstanding nor where found, that are contrary to the above provisions are “ipso facto” null and void. Dated: March 24, 2006

In an effort to promote a drug-free workplace and a drug-free campus community, the University urges its students/employees who experience drug-related problems to seek assistance through counseling given in drug and alcohol programs. These programs provide information about treatment and support group services for individuals who seek help. Students/employees who are experiencing performance problems in the workplace may be required to undergo treatment for substance abuse, or be subject to disciplinary action up to and including dismissal. However, this should not be considered policy, as each incident is handled on an individual basis. Sanctions could be less or more severe, depending on the situation and circumstances. St. Bonaventure will consistently abide by and enforce all fire safety policies. Students living in residence halls are subject to the following procedures with regards to fire safety:

**Fire Alarms and Evacuation:** Whenever a fire alarm sounds, students must exit the residence facility immediately, and remain at least 50 ft. away from the building, until appropriate Residence Life or Safety and Security personnel announce that students are permitted to re-enter. Students failing to exit the residence hall during the sounding of an alarm, or re-entering the residence hall before given permission, will be subject to the judicial hearing process. In the event of a real fire, please EXIT THE BUILDING IMMEDIATELY utilizing the nearest clear exit. If there is no alarm sounding, and there is a pull box along your exit pathway, please pull the fire alarm. However, if there is no pull box on your way out of the building, continue your exit and notify the Office of Safety and Security using the nearest emergency phone, or by calling 375-2525. **All fire alarms must be taken seriously, and students must evacuate the residence hall immediately during any sounding of an alarm.**

**Inspection:** All residence hall facilities are subject to unannounced fire safety inspections throughout the year. These inspections may be conducted by authorized personnel from the student life division, maintenance department, and the New York State Office of Fire Prevention and Control. Inspections will occur regardless of whether students are present in the room at the time.

**Violations:** If violations of the above mentioned fire safety policies are found during inspections, or at any other time, students occupying the room or apartment may be subject to automatic fines, and/or the judicial hearing process. Students found to be in violation of the New York State Fire Code are responsible for their individual actions and will pay restitution to St. Bonaventure University for any and all fines levied by New York state to the University as a result of their actions or violation of the law.

The Director of C.A.R.L. must approve the solicitation form prior to any fundraising, sales or solicitation activities can take place.

2. If approved, all communication forwarded to off-campus persons must be well written and in good taste. The organization adviser will approve all letters, fliers, etc.

3. Organization representatives conducting off-campus fund-raising activities will need a letter of introduction and/or authorization to share with off-campus agencies.

4. All business ventures by an individual or organization, profit or non-profit, involving the selling or promoting of a product or service off campus, or involving the solicitation of funds and/or in-kind gifts off campus in the name of the University, require written approval of the Office of University Advancement. Without such approval, the Vice President for Advancement may impose a fine upon an organization and/or confiscate any monies collected. If it is not a student organization, the case will be presented to the Vice President for Student Affairs.

5. No direct solicitation of money and/or in-kind gifts may be made without expressed approval of the Vice President for Advancement.

6. Credit card vendors are not permitted. Additionally, student groups are not allowed to solicit fellow students on behalf of credit card vendors.

**C. Request to solicit off-campus agencies/organizations/individuals:**

The previously stated criteria and procedures must be followed. In addition, the sponsoring organization and University must receive direct benefit from such a solicitation activity.

3. Advertising (fliers, posters, etc.) by vendors is subject to approval from C.A.R.L. before distribution on University property may begin. Promotion and advertisement for the fundraising activity must conform to the standards outlined in the “Advertising for Authorized Functions” policy (Appendix C, Student Code of Conduct).
4. St. Bonaventure University reserves the right to limit or restrict vendors and/or the sale of certain services or products.

5. Anyone under the age of eighteen (18) must be accompanied by an adult at all times.

Guests/Visitors of resident students are limited to a 48-hour stay within a seven (7) day period. The University requests that you abide by all University policies regarding use of facilities and maintenance of public order. While visiting the campus, please proceed directly to the office where you have an appointment, or inquire at the University Office of Safety and Security (375-2525) for directions.

Visitation Policy – visitation is not permitted to any residence hall floor other than one’s own residence hall floor between the hours of:
   1 a.m. and 8 a.m. on weeknights
   2 a.m. and 10 a.m. on weekends

NOTE: Students who live on a floor that is partitioned into separate wings for male and female students are not permitted on any wing other than their own during the times listed above.

Appendix M – Procedures for Reporting Harassment (Discrimination)

Procedures: All reports of harassment (discrimination,) must be investigated by the University. Anyone wishing to report harassment may do so in the following ways:
   1. Students wishing to report being a victim of harassment, or knowledge of another student(s) being a victim of harassment, where such harassment was allegedly perpetrated by another student, may do so through any of the following student life staff members: residential education staff (Resident Assistant (RA), Residence Director (RD), Executive Director of Residential Living and Conduct), or Safety and Security Services. The report will be investigated through the appropriate channels.

   2. Students wishing to report being a victim of harassment, or knowledge of another student(s) being a victim of harassment, where such harassment was allegedly perpetrated by a faculty or staff member, may do so through any of the University’s Advocacy Officers as outlined in the procedures set forth by the Council on Discrimination and Harassment (CODAH), or the University Ombuds officer. However, such a report could also be made to a member or the residential education staff (RA, RD, Executive Director of Residential Living and Conduct), or Safety and Security Services. Upon receiving the report, the abovementioned would turn the report over to the Director of the CODAH for investigation. Said report would be handled through the University’s CODAH procedures, and not through the student judicial process.
3. Faculty or staff wishing to report being a victim of harassment, or knowledge of another faculty or staff being a victim of harassment, where such harassment was allegedly perpetrated by a student, may do so either through the CODAH procedures, or through the Executive Director of Residential Living and Conduct. Any formal charges would occur through the University student judicial process.

4. Faculty or staff person wishing to report being a victim of harassment, or knowledge of another faculty or staff being a victim of harassment, where such harassment was allegedly perpetrated by a faculty or staff person, is not subject to this policy or procedure outlined here, but is subject to the CODAH policies and procedures.

Students, faculty and/or staff will have the following procedural options if filing a report through Judicial Affairs (distinct from the CODAH procedures).

   a. Speak with the University Ombuds Officer
   b. Obtain a “No Contact” order immediately
   c. File a written report through Judicial Affairs and take no action
   d. File a written report and have a mediation (only in appropriate situations)
   e. File formal University charges against the student(s) allegedly perpetrating the harassment, and participate in a Judicial Process as outlined in the Code of Conduct for all violations of University Policy.

Accommodations
Certain accommodations may be made by the VPSA, in an effort to mitigate any situations where further threat and/or harassment could occur as a result of a person filing a report or bringing forward allegations. These accommodations could include, but are not limited to: changes in academic, living, transportation, and working situations if those changes are requested by the victim and reasonably available; “No Contact” orders; Summary Suspension; attendant restrictions; all other restrictions outlined in the Code of Conduct under “Interim Sanctions”; any other interim restriction or sanction deemed appropriate by the VPSA, or appropriate designee. When no-contact orders are issued, students have the right to review the order with an appropriate University Official to discuss the need for and terms of the order, other interim measures and/or accommodations.

If an outside agency or court of law has put in place an order of protection, the University will assist in upholding the order, including explaining the legal consequences for violating the order. If the University receives a report of an official order of protection being violated, the University will provide assistance in contacting the appropriate law enforcement agency.

Retaliation
Reporting parties have the right to continue their educational endeavors free from retaliation or further harassment as a result of filing a report or participating in a judicial process. Retaliation exists when an individual harasses, intimidates or takes other adverse action(s) against a person because of the person’s participation in an investigation of discrimination, or their support of someone involved in such an investigation. Retaliatory actions include but are not limited to threats or actual violence against a person or their property, adverse educational or employment consequences, ridicule, intimidation, bullying, or ostracism. Sanctions will be imposed on any student found engaging in retaliation. Any evidence of such behavior from a responding party throughout the course of an investigation, or on behalf of the responding party, could warrant immediate summary suspension from the University pending the completion of the investigation and subsequent judicial process.

Sanctions
If a student is found responsible for harassment or related allegations through the student judicial process, all sanctions listed in the “Sanctions” section of this Code of Conduct would be considered possible outcomes, up to and including expulsion from the University.
Appendix N – Leaves of Absence

A leave of absence for medical reasons must be issued by the Vice President for Student Affairs. Students must make their requests *in writing* to the Vice President for Student Affairs at or prior to the time they are requesting to take the leave, and leaves will not be granted retroactively. Medical leaves of absence will not be entertained after the official last date to withdraw from classes, as established by the University’s academic calendar, with the exception of extreme emergency cases.

Medical leave is granted by the Vice President for Student Affairs upon recommendation of the University physician and/or Counseling Center personnel or other appropriate professionals (see below). Medical leave is typically granted when a student’s condition makes it necessary for the student to leave campus for an extended period of treatment. A medical leave serves a student in the following ways:

1. A student is withdrawn from classes, receives a “W” on the student transcript for those courses, and while the student does not receive academic credit for the courses, the student is not penalized for the withdrawal.
2. A student living in a residence hall is granted a space for the following semester upon readmission, provided that on-campus living is not a recommended restriction.
3. Financial payments to the University are reimbursed on a prorated basis.

Students leaving the University for medical reasons will be eligible to participate in the readmission process only after they have received necessary treatment, and upon approval of the Vice President for Student Affairs, in consultation with the Director for the Center for Student Wellness. The student may be recommended for readmission only after the University receives written reports of evaluations from qualified health care professionals, and the student participates in an interview with the Director for the Center for Student Wellness. After these evaluations are complete and received by the University, a recommendation will be made to the Vice President for Student Affairs who will make a decision regarding the student’s eligibility for readmission. The University reserves the right to require consultations between the student and relevant professionals of the University’s choice. Stipulations for return to the University will be outlined at the time a request for leave is granted. Students who have withdrawn from St. Bonaventure with good standing may be readmitted when formal application for readmission is approved by the Office of Admissions. If the student has been absent for more than one full semester, a processing fee must be filed with the application.

Before a student is readmitted, the student must furnish an updated medical history record. Any student who leaves St. Bonaventure University for medical reasons must complete the readmission process by July 15 for the fall semester and by Dec. 1 for the spring semester. The readmission process requires that a student complete the following steps:

1. make reapplication through the Office of Admissions;
2. submit a letter from the student to the appropriate University representative indicating why the student believes he/she is ready to return to the University;
3. provide documentation as required by the Office of Admissions;
4. discuss with the appropriate University representative(s) the request for admission. If readmission is approved, on-campus housing, when appropriate, will be assigned by the Housing Office.

St. Bonaventure University does not condone, nor does it forbid, public demonstration. Campus demonstrations are limited to the outdoors and may include members of the University community exclusively. Demonstrations may not be conducted within 100 yards of the University Chapel, Franciscan Friary or Center for Student Wellness. Members of the University community who choose to peacefully demonstrate must register as a scheduled campus activity through the Office of University Events and be approved by the Vice President for Student Affairs no less than 48 hours (two business days) prior to the event. A recognized student organization or University faculty/staff member must sponsor any/all campus events. Said student organization or faculty/staff member assumes all responsibility for the scheduled event. All members of the St. Bonaventure University community are expected to comply with the reasonable directives of any authorized University official, including but not limited to University Safety and Security staff members. Sound-amplification equipment may not be used at any time, in any place, or in such a manner so as to disrupt the University’s functions of teaching, public service or administration, or study and sleep in the residence halls, or other authorized scheduled event. Students as participants in local community affairs, as residents of, or visitors to, Allegany, N.Y., Olean, N.Y., or other municipalities, colleges or universities, are expected to abide by local, state and federal laws and ordinances.

Appendix P - Parental Notification Policy

In situations involving serious injury, illness, emotional or psychological concerns, a University medical doctor, counselor, the Vice President for Student Affairs and/or his designee may notify the parent(s)/guardian of an affected student. The Vice President for Student Affairs or his/her designee may notify the parent(s)/guardian of other situations (e.g. disciplinary matters or crisis situations). Where possible, the student will be aware of and have the right to initiate such notification. Unless otherwise notified by the student, the University will assume that the student agrees to the involvement of parent(s)/guardian in this process as stated above.

Appendix Q – Residence Hall and Food Service Contract 2017-2018
Terms and Conditions
The services described in this agreement are offered under terms and conditions stated herein. A student indicates acceptance of this contract by electronically signing this contract. This contract will become binding for both parties when a student’s signed contract and reservation deposit are received and acknowledged by the University.

1. **Period of Contract** — This contract is for the full academic year from August 26, 2017 through 10:00am on May 10, 2018, and cannot be terminated or cancelled except under the conditions outlined below. If entered into after the beginning of the fall 2017 term, this agreement applies only to the balance of the 2017-2018 academic year.

2. **Cancellation of Contract by Applicant** — A student requesting and receiving approval to break this contract prior to the opening of residence halls for the fall semester, or within the first two weeks of classes, does so under penalty of a $200 cancellation fee, in addition to whatever pro-rata costs have accumulated for the first two weeks of class if the student did not request to cancel the contract prior to the date of opening of residence halls. A student requesting and receiving approval to break this contract after the end of the second week of class of a semester does so under penalty of the cost of the room for the entirety of that semester, in addition to the $200 cancellation fee. In order to properly cancel this contract, a student must submit a written request to the Executive Director for Residential Living and Conduct for approval. Once approved, a date and time for move out will be agreed upon between the student and the Executive Director.

3. **Termination by the University**
   A. The following shall constitute grounds for the termination of this contract at the discretion of the University, represented by the Vice President for Student Affairs or his/her designee:

      - Student studying away/abroad through University program

   A. Only students with full-time, matriculating status at the beginning of each semester are permitted to live in on-campus residence halls. Should a student fall below full-time status during the semester, they will not be required to move out provided they are still enrolled in and attending courses.
   B. Should a student fail to register for courses for the spring semester by the time they complete their last final examination of the fall semester, the student will be required to remove their belongings from their residence hall room prior to their departure for the semester break. Requests to reserve the space will not be granted.

5. **General Obligation Deposit** — The general obligation deposit of $100 (part of the enrollment confirmation deposit), which is made by the student at the time of admission to St. Bonaventure University, must remain on deposit as long as the student is enrolled. 6. **Room Assignment**
   A. Room assignments are made without regard to race, color or creed.
   B. Every consideration will be given to housing assignment requests, but the University cannot commit to honoring every request. Failure to honor an assignment request will not void this contract.
C. The University reserves the right to change room or hall assignments, to assign roommates, or to consolidate vacancies, for any reason at any time. In the event one occupant moves out of a room, the student(s) who remain will be granted a short period of time to find another person to fill the space, or agree to accept an assigned roommate, or to move to another room upon request. If the student is unwilling to consolidate, the student may be required to buy out the room as a single accommodation room. The University is not responsible for moving personal belongings of students who are moving, even if the move is at the request of the University.

D. Student-initiated room changes will only be permitted during the period established by the Executive Director for Residential Living and Conduct. The student must show reasonable cause to his/her Residence Director for permission to move. During any other time a room change will not be granted unless necessitated by unforeseen roommate conflicts.

E. Any unauthorized room changes will be handled judicially, and students may be required to move back to their originally assigned space.

F. The University does not offer family housing, and will not accommodate dependents, spouses, or any person other than the student signing the contract.

7. **Occupancy of Halls** - New students participating in Welcome Days or Orientation will be allowed to move in according to the start date of the orientation program. A. **Check-In** - Each resident student assumes responsibility for the condition of his/her assigned room. The University provides each resident student with an electronic room condition report for this purpose. This form is to be completed and reviewed within the first week of classes, to assess the present condition of the room and to ensure proper damage billing when the student moves out.

B. **Check-Out** - When the student moves out of the room for any reason at any time, the student must comply with the proper check-out procedures. The preferred method is Express Check-Out. An Express Check-Out form and key envelope must be obtained from a Residential Education staff member, and can likely be found in the RA Office for that residential area. The student must complete the form, place the room/building key(s) in the key envelope, and return both to a
Residential Education staff member. Every student has the right to have a professional staff member evaluate the room in his/her presence to do a preliminary damage assessment. While the Express Check-Out form waives this right, students choosing to have a professional staff member evaluate the room must make arrangements with the Residence Director in advance of their departure. This preliminary assessment done with the room condition report may not be the final inspection, as final damage assessments cannot be made until all occupants of the room have removed all of their belongings. Failure to properly check-out, either with Express Check-Out or with a professional staff member, will result in a $25 Improper Check-Out fine, in addition to whatever key charges may apply.

10. **Keys** – When checking into the residence hall, room keys will be issued by the Residential Education staff to all students living in that building/area. When the student moves out of the room, all keys must be returned to the residential education staff, as outlined in the check-out procedures above. If a student does not properly check-out, and fails to return all assigned keys, he/she must pay the lock change fee. If a student loses his/her key, he/she must report this loss immediately to the Residential Education office, and the student must pay a lock change fee. This fee is variable, and is billed to the student’s account. Students are not permitted to duplicate or copy keys, or give their keys to another individual.

11. **Fire/Theft/Damage** – The University is not liable for a student’s property which may be lost, stolen or damaged in any way, wherever or whenever this may occur on the premises, including storage facilities. The student agrees to pay for damages, lost property, or necessary services caused by him/her to University residence halls, apartment buildings, individual rooms, or grounds because of his/her negligence or intent. The student will share the total cost of group damages to the student’s floor, wing, building, and/or apartment, which cannot be ascribed to any individual. Where two or more students occupy the same room, and responsibility for damage or loss cannot be ascertained by the Residential Education team, the cost of the damage or loss will be divided and assessed equally between or among the residents of the room. Damages to University facilities, furnishings or equipment that cannot be assigned to an individual student may be assigned to the floor or building if the Residence Director determines there is a community responsibility for the damage or loss.

12. **Room Care** – The student is responsible for cleaning his/her own room, removing waste materials regularly, and maintaining sanitary and safety conditions acceptable to the University, so as to promote a healthy and productive atmosphere within the University residence facilities. Student rooms, common areas and University facilities may not be physically altered in any way. University furnishings may not be removed from student rooms or common areas for which that furniture was allocated. The stacking, dismantling or altering of University furnishings / equipment is strictly prohibited. University furnishings are to be used in a manner consistent with the intended use of the item. Dartboards, nails, hooks, anchors, or any device that may damage University structures, equipment, facilities or furnishings are not permitted. Residents may not install cables, wires, ropes or other devices into corridors or between rooms. Additional furniture, major appliances and fixtures are strictly prohibited in residence hall rooms. Students are also expected to abide by all policies and procedures outlined in the Student Code of Conduct.

13. **Room Entry** – The University affirms its respect for residents’ rights to maximum privacy in their room, apartment, and/or townhouse. All resident students are subject to Section IV part D of the Student Code of Conduct referencing “Room / Property Search and Inspection”

14. **Pets** – Pets are not permitted in any University facility. NOTE: Modifications will be made to allow the presence and use of service animals in accordance with Section 504 of the Rehabilitation Act of 1973, the 1990 Americans with Disabilities Act, and the Fair Housing Act. Should a student require a service animal, they must contact Disability Support Services, and abide by the policies and procedures set forth for obtaining approval.

15. **Fire Safety** – Resident students are required to abide by all Fire Safety Policies and Procedures outlined in the Student Code of Conduct.

16. **Policies and Procedures** – The student must comply with all policies and procedures set forth in the University publications that are prescribed by reference, especially in the Student Code of Conduct and the University Catalog. The student is obligated to be familiar with said policies and procedures,
especially those pertaining to his/her occupancy in the residence halls. Acceptance of the terms of this contract assumes knowledge of the above described.

17. **Failure to Provide Accommodations** – In the event the University is unable to provide accommodations described herein because of strikes, walkouts, or other circumstances beyond the control of the University, the University will determine refunds of room and board on a pro-rata basis. In no event will the liability of the University exceed the pro-rata portion of the room and board charges actually paid by the student.

18. **Meal Plans** –
   A. **Residential Meal Plan Requirement** - A student living in a residence hall must purchase one of the following meal plans: Bona Platinum, Bona Gold, Bona Silver. The only exceptions are students living in the townhouses or apartments and graduate students. If a student’s room assignment changes from an Apartment to a regular residence hall, the student will be required to take a full meal plan (Silver, Platinum or Gold), regardless of whether the change is student initiated or mandated by the University. The change will take effect the day the room switch is finalized, and the student will automatically be assigned a Silver plan if he/she does not indicate otherwise.
   B. **Unused Flex Dollars and Block Plan Transfer** – Unused flex dollars and student block plan meals will transfer from the fall to spring semester. At the end of the spring semester, unused Flex Dollars and student block plan meals are nonrefundable and cannot be transferred to the summer or the new academic year. Absolutely no reimbursements will be given for unused meal plans or Flex Dollars.
   C. **Meal Plan Changes** – Within the abovementioned guidelines, students may change their meal plan during the first ten (10) business days of each semester only. This policy is strictly enforced. Students are required to personally file the appropriate request form for a meal plan change by reporting to the Bona Express Office, Reilly Center 202. Meal plan changes are done online through the MySBU portal, or at the Bona Express Office. (https://my.sbu.edu/custom/mealPlan/index.aspx).
   D. **Meal Plans and Dining Availability During Break Periods** - Meal plans are not in effect and cannot be used when the campus and/or residence halls are closed during specified vacation periods, Christmas/semester break and spring semester mid-term break. Additionally, there will be no dining services available on Thanksgiving Day and Easter Day.

**St. Bonaventure University Gender-Based Discrimination and Sexual Misconduct**

**Statement of Intent**

St. Bonaventure University promotes respect for the dignity and integrity of each person. Members of the University community, guests and visitors have the right to an environment free from all forms of gender and sex-based discrimination and misconduct, examples of which can include acts of sexual violence, sexual harassment, domestic violence, dating violence and stalking. All members of the University community are expected to conduct themselves in a manner that does not infringe upon the rights of others. St. Bonaventure University takes reports of gender-based discrimination and sexual misconduct very seriously and treats each report with the utmost care and urgency. When an allegation of discrimination or misconduct is brought to an appropriate administrator’s attention, and a responding party is found to have violated this policy, sanctions will be applied to prevent such actions from being repeated. In addition, accommodative and remedial measures will be offered to mitigate the effects of the conduct. This policy has been developed to reaffirm these principles, to
provide a mechanism for determining when this policy has been violated, and to provide recourse for those individuals whose rights have been violated.

**Overview of Consensual Relationships Policy**

The educational Mission of the University is promoted by professionalism in relationships between administrators, faculty, students and staff. Professionalism is fostered by an atmosphere of mutual trust and respect. Trust and respect are diminished when those in position of authority abuse, or appear to abuse, their power.

Sexual relationships between faculty and student, or staff and student, are expressly prohibited. Even when both parties have consented to the development of such relationships, they can raise serious concerns about the validity of the consent, conflicts of interests, and/or unfair treatment of others. Moreover, others may be adversely affected by such behavior because it places the faculty or staff member in a position to favor or advance one student’s interests at the expense of others.

Sexual relationships between supervisor and employee are prohibited when a direct evaluative relationship exists. In such cases the University requires that the faculty member, administrator, staff member or employee divest him or herself of the professional responsibility for evaluation and/or cease such conduct.

**Gender-Based Discrimination and Sexual Misconduct Policy**

St. Bonaventure University prohibits all forms of gender based discrimination and sexual misconduct. Gender-based discrimination or sexual misconduct can be committed by any person upon any other person, regardless of the sex, gender, sexual orientation and/or gender identity of the persons involved in the acts.

This policy prohibits the following forms of misconduct:

**Gender-Based Discrimination** – Gender-Based Discrimination includes discrimination on the basis of gender, sexual orientation, gender identity or domestic violence victim status in any aspect of employment or access to University curricular, co-curricular or extracurricular educational programs and/or resources, including without limitation:

- hiring and firing;
- compensation, assignment, or classification of employees;
- transfer, promotion, layoff, or recall;
- job advertisements;
- recruitment;
- testing or grading;
- use of University facilities;
- training and apprenticeship programs;
- fringe benefits;
- pay, retirement plans, and disability leave;
- admissions and recruiting standards and practices;
- financial aid and scholarship awarding policies and practices;
- eligibility for academic programs;
- use of student housing;
- participation in extracurricular student activities; and
- other terms and conditions of employment or the student experience.

This policy does not apply to decisions relating to requests for reasonable accommodation due to a disability. Student disability accommodations are handled by Adriane Spencer, aspencer@sbu.edu, 716-375-2065 and
pursuant to that office’s policies. Work-related disability accommodations are handled by the Human Resources Office and pursuant to that office’s policies.

**Sexual Harassment** – Sexual harassment is unwelcome, gender-based, sexual orientation-based or gender identity-based verbal or physical conduct that is sufficiently severe, persistent or pervasive that it unreasonably interferes with, denies or limits someone’s ability to participate in or benefit from the University’s educational program, employment, and/or activities, and is based on power differentials (quid pro quo), the creation of a hostile environment, or retaliation.

It constitutes sexual harassment when:

a. Submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or education opportunities or activities,
b. Submission to or rejection of such conduct by an individual is used as the basis for employment decisions or educational opportunities or activities affecting such individual, or
c. Such conduct has the purpose or effect of unreasonably interfering with an individual’s work performance or creating an intimidating, hostile or offensive working or learning environment.

For example, sexual harassment would include the following kinds of behavior, or other kinds of behavior with a similar harassing effect:

a. Abusing an employee or student through insulting, degrading, or oppressive sexual remarks, jokes, innuendoes, or other sexually oriented conduct (including, among other things, graphic or descriptive comments relating to an individual’s body or physical appearance, sexually oriented teasing or pranks, improper suggestions, objects or pictures, unwanted physical contact);
b. Threats, demands, or suggestions that an employee’s working conditions or a student’s grade depends in any way upon tolerating or accepting or refusing sexual advances or sexually oriented conduct
c. attempts to coerce an unwilling person into a sexual relationship; to repeatedly subject a person to egregious, unwelcome sexual attention; gender-based bullying.

**Sexual Assault** – Sexual Assault includes Non-Consensual Sexual Contact and Non-Consensual Sexual Intercourse, as defined below.

**Non-Consensual Sexual Contact** – any intentional touching, however slight, for purposes of sexual gratification or with sexual intent, directly or with any object that is without affirmative consent. Acts of non-consensual sexual contact may include but are not limited to intentional contact (directly or over clothing) with another person’s breasts, buttocks, groin, genitals, or inner thigh, or touching another with any of these body parts, or making another touch oneself or themselves with or on any of these body parts.

**Non-Consensual Sexual Intercourse** – any penetration, however slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without affirmative consent. This type of sexual assault also includes non-forcible sexual intercourse with a person who is under the statutory age of consent. In New York, the statutory age of consent is 17 years old.

**Sexual Exploitation** – occurs when a person takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses. Examples of sexual exploitation may include but are not limited to: any audio and/or visual recording of a consensual sexual act or
private activity (such as undressing or showering) without the person’s consent; distributing, without the prior consent of the victim of exploitation or beyond parameters of consent given by the victim, an audio and/or visual recording of a consensual sexual act; or private activity otherwise going beyond the boundaries of consent (such as allowing people to hide in the closet to view consensual sexual contact/intercourse); voyeurism; engaging in sexual activity with another while knowingly infected with a sexually transmitted disease; attempting to incapacitate someone for the purposes of committing sexual assault; exposing one’s genitals in non-consensual circumstances; or sex or gender-based bullying.

**Stalking** - Engaging in a course of conduct directed at a specific person that would cause a reasonable person to fear for their safety, the safety of others, or suffer substantial emotional distress. Examples of stalking behavior include but are not limited to: repeated attempts at communication (phoning, texting, email, social messaging); making direct or indirect threats to harm an individual or the individual’s relatives, friends or pets; physical and/or verbal confrontations; entering one’s residence hall room/apartment or vehicle without permission; following, observing or lying in wait for another; vandalizing or threatening to vandalize the property of another; gaining access to personal online accounts or information; etc.

**Domestic Violence** – Any violent behavior committed by a current or former spouse of a victim, by a person with whom a victim shares a child, by a person with whom the victim currently cohabitates or previously cohabitated as a romantic or intimate partner, by an individual who is or was similarly situated to a spouse of the victim, and/or by a person against a victim who is protected from the other person’s acts under the domestic or family violence laws of the jurisdiction in which the act of violence occurs.

**Relationship/Intimate Partner Violence (Dating Violence)** – Any violent behavior committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim. The existence of such a relationship may be determined based on consideration of the length of the relationship, the type of relationship, and/or the frequency of interaction between the persons involved in the relationship.

**Other Misconduct Offenses (will be addressed under this policy when based on gender, gender identity, sexual orientation, or domestic violence victim status)**

- Threatening or causing physical harm, extreme verbal abuse, or other conduct which threatens or endangers the health or safety of another person;
- Intimidation, defined as implied threats or acts that cause an unreasonable fear of harm in another;
- Hazing (see Hazing Policy of the St. Bonaventure University Student Code of Conduct for definition); and
- Bullying, defined as repeated and or severe aggressive behavior likely to intimidate or intentionally hurt, control or diminish another person, physically or emotionally.

**Additional Applicable Definitions**

**Affirmative Consent**

Affirmative consent is a knowing, voluntary and mutual decision among all participants to engage in sexual activity. Consent can be given by words or actions, as long as those words or actions create clear permission regarding willingness to engage in the sexual activity. Silence or lack of resistance, in and of itself, does not
demonstrate consent. The definition of consent does not vary based upon a participant’s sex, sexual orientation, gender identity or gender expression. Whenever the word “consent” is used in this policy, it should be understood to mean affirmative consent as defined here.

The following conditions apply to the term “consent” according to the University:

1. Silence, lack of physical resistance, and/or the absence of a verbal “no” are not forms of consent.
2. Consent is required regardless of whether the person initiating the act is under the influence of drugs and/or alcohol. In other words, it is not an excuse that the person initiating the act was intoxicated or incapacitated due to alcohol or other drugs.
3. Consent can be initially given but withdrawn at any time.
4. When consent is withdrawn or can no longer be given, sexual activity must stop. Once a person says “no,” it is established that he or she is not giving consent to a sexual act. However, the absence of a verbal “no” does not constitute consent. Any activity or further encouragement beyond that point could be construed as force, coercion or intimidation.
5. A current or previous dating relationship is not sufficient to constitute consent. Further, past consent to engage in sexual activity with any person cannot be presumed to be consent to sexual activity in the future with the same or a different person. A sexual act must be mutually agreed upon each time it occurs.
6. Consent to one sexual act does not indicate consent to other sexual acts.
7. Consent cannot be given if a person is incapacitated (see definition of “incapacitation”). Sexual activity with someone whom one should know to be – or based on the circumstances should reasonably have known to be – incapacitated (for example, by disability, sleep, involuntary restraint, or the taking of drugs or alcohol, unconsciousness or blackout) constitutes a violation of this policy.
8. Consent cannot be given under coercion, force, or threat of physical harm or injury.
9. Consent cannot be given if someone is under the legal age of consent. In New York State, a minor (meaning a person under the age of 17 years) cannot consent to sexual activity. This means that sexual contact by an adult with a person younger than 17 years old is a crime as well as a violation of this policy, even if the minor wanted to engage in the act.

**Force**

Force is the use of physical violence and/or imposing on someone physically to gain sexual access. It includes threats and/or intimidation (implied threats) that overcome resistance or produce purported (but ineffective) consent. It also includes rendering someone incapacitated by administering alcohol or any other drug.

**Coercion**

Coercion is unreasonable pressure for sexual activity. Coercive behavior differs from seductive behavior based on the type of pressure someone uses to get consent from another. When someone makes it clear to you that they do not want sex, that they want to stop, or that they do not want to go past a certain point of sexual interaction, continued pressure beyond that point can be coercive.

**Incapacitation**

Incapacitation is a state where someone lacks the ability to knowingly choose to participate in a specific activity. Incapacitation can result from disability, sleep, lack of consciousness, involuntary restraint, or other
factors that prevent voluntary choice. Depending on the degree of intoxication, someone who is under the influence of alcohol, drugs or other intoxicants may be incapacitated and therefore unable to consent.

**NOTE:** There is no requirement that a party resists a sexual advance or request, but resistance is a clear demonstration of non-consent. Sexual activity that is forced is by definition non-consensual, but non-consensual sexual activity is not by definition forced.

**Confidentiality and Reporting of Offenses Under This Policy**

In order to make informed choices, it is important to be aware of confidentiality and mandatory reporting requirements when consulting campus resources. The University offers a number of confidential and non-confidential resources on-campus.

Certain University employees are considered “confidential” resources because they are not required by law to report known incidents of sexual assault or other crimes to University officials, including the Title IX Coordinator. Confidential resources generally will not share information about an individual without the individual’s express written permission.

Other employees at the University are non-confidential resources and are required to share your report with the Title IX Coordinator so that the University may take steps to offer support services and prevent the recurrence of gender-based discrimination or sexual misconduct. If you are unsure of an individual’s reporting obligations, please ask before disclosing information you wish to remain confidential. This policy is intended to make individuals aware of the various reporting and confidential disclosure options available so that individuals can make informed choices about where to turn should they become the victim of gender-based discrimination or sexual misconduct.

Even University offices and employees who cannot guarantee confidentiality will maintain your privacy to the greatest extent possible. The information you provide to a non-confidential resource will be relayed only as necessary for the Title IX Coordinator to investigate and/or seek a resolution.

**Confidential Assistance**

If a reporting party would like the details of an incident to be kept confidential, the reporting party may speak with counselors or health care providers in the Center for Student Wellness, clergy within the University acting in their role as clergy (friars or sisters), and/or off-campus resources such as Victim’s Services or Olean General Hospital. All of these resources will maintain confidentiality except in extreme cases of immediacy of threat or danger or abuse of a minor. Confidential resources that are University employees will submit anonymous statistical information for Clery Act purposes unless they believe it would be harmful to their client, patient or parisioner.

Non-Confidential Resources

All University employees other than confidential resources have a duty to share reports of gender-based discrimination or sexual misconduct with the Title IX Coordinator or a Deputy Coordinator so that the University may take steps to offer support services and prevent the recurrence of any misconduct. If a reporting party does not wish for their name to be shared, does not wish for an investigation to take place, or does not want a formal resolution to be pursued, the reporting party may make such a request to the Title IX Coordinator or a Deputy Coordinator, who will evaluate that request in light of the duty to ensure the safety of the campus and comply with federal law.

In cases of pattern, predation, physical threat, weapons, and/or violence, the University will likely be unable to honor a request for confidentiality. If the University determines that it must proceed with an investigation, the reporting party can choose whether or not he/she is going to be part of it. The burden of investigation, disciplinary charges, and consequences is not on the reporting party, but instead rests with the University. In cases where the reporting party requests confidentiality, and the circumstances allow the University to honor that request, the University will offer interim supports and remedies to the reporting party and the community, but will not otherwise pursue formal action.

University’s Procedures for Investigation of Gender-Based Discrimination and Sexual Misconduct

St. Bonaventure University strongly encourages any individual who has been subjected to gender-based discrimination or sexual misconduct to report the misconduct to University officials and/or law enforcement. A reporting party has the right and can expect to have reports taken seriously by the University when formally reported, and to have those incidents investigated and properly resolved through these procedures. The University’s main concern is that reporting parties receive the help and guidance essential for beginning the process of healing, while also giving consideration to the welfare of the campus community.

Anyone wishing to report incidents of gender-based discrimination or sexual misconduct should do so through Safety and Security Services, Residential Staff (RAs or RDs), the reporting party’s supervisor, a CODAH Advocacy Officer, or directly with the Title IX Coordinator (Director of Human Resources). Investigations (including Judicial Sanctioning Board proceedings, if applicable) will ordinarily take no longer than 60 days. However, the nature of a complaint and/or extenuating circumstances (such as the time of the academic year, the timing of University break periods, the effect of concurrent criminal proceedings, etc.) may require an extension of that timeframe.

Complaints will be considered according to the following procedure:

1. Once a report is received, information is shared with the Title IX Coordinator and/or a Deputy Coordinator.
2. Preliminary information gathering will occur to determine whether or not a formal investigation is appropriate.
3. Some complaints may be resolved through conflict resolution in lieu of a formal investigation. Conflict resolution may be used for less serious, yet inappropriate, behaviors and is encouraged as an alternative to the formal process to resolve conflicts. The Title IX Coordinator and Deputy Coordinator will determine if conflict resolution is appropriate, based on the willingness of the parties, the nature of
the conduct at issue, and the susceptibility of the conduct to conflict resolution. In a conflict resolution meeting, the Title IX Coordinator and/or Deputy Coordinator will facilitate a dialogue with the parties to an effective resolution, if possible. Sanctions are not possible as the result of a conflict resolution process, though the parties may agree to appropriate remedies, in which case the complaint is resolved. The Title IX Coordinator will keep records of any resolution that is reached, and failure to abide by the accord can result in appropriate responsive actions. Conflict resolution will not be used to address complaints of sexual assault or violent behavior of any kind, or in other cases of serious violations of policy. It is not necessary to pursue conflict resolution first in order to make a formal complaint, and anyone participating in conflict resolution can stop that process at any time and request a formal process.

4. If a formal investigation is deemed appropriate, the Title IX Coordinator will appoint investigators to the case. If it is determined a formal investigation is not appropriate, the University will offer the reporting party and/or alleged victim accommodations, which may include “No Contact” orders if requested.

5. The University may, but shall not be obligated to, delay the institution of its processes when criminal charges on the basis of the same behaviors that invoke this process are being investigated. Such delays will not last more than ten calendar days except when law enforcement authorities specifically request and justify a longer delay. University action will not be altered or precluded on the grounds that civil or criminal charges involving the same incident have been filed or that charges have been dismissed or reduced.

6. In each case, a responding party is entitled to a presumption that he or she is “not responsible” until a finding of responsibility is made pursuant to the provisions of this policy. The responding party will receive written notice, prior to any interview or meeting he or she is required or entitled to attend, referencing the specific policy provisions alleged to have been violated and the specific possible sanctions. This notice will also include the date, time, location and factual allegations concerning the alleged violation(s) to the extent known.

7. Investigators will seek to conduct interviews with any individuals who may be able to provide information pertaining to the potential violation, or other potential violations that may become apparent through the course of the investigation. They will also gather, examine and assess relevance of evidence, or other resources, brought forward throughout the course of the investigation. The investigators have the authority to investigate all allegations of collateral misconduct, meaning that they may consider allegations of gender-based discrimination or sexual misconduct, but also may hear any allegations of additional conduct or policy violations that are alleged to have occurred as part of the same set of circumstances as the alleged gender-based discrimination or sexual misconduct, even though those collateral allegations may not otherwise fall within this policy. Accordingly, investigations should be conducted with as wide a scope as necessary. Final determination of whether the investigation will deal with collateral misconduct will be made by the Title IX Coordinator.

8. After the investigation is complete, and based on the preponderance of the evidence standard (“more likely than not”), investigators will determine whether it is “more likely than not” the responding party(s) violated one or more policies and prepare the final report. Investigators will provide the final report to the Title IX Coordinator. This is the finding in the case. Final reports will include documented summary of interviews, evidence, credibility assessments and any other factual support for the investigators’ findings.

9. The Title IX Coordinator and/or Deputy Coordinator will inform the reporting party and responding party in writing of the outcome of the investigation, including the relevant findings of fact and the rationale for the determination. If the determination is that the responding party is responsible for one
or more violations, the Title IX Coordinator and/or Deputy Coordinator will determine the appropriate sanctioning body dependent on whether the responding party is a faculty/staff member, or student.

10. Should a student be accused of a violation of the Gender-Based Discrimination or Sexual Misconduct Policy, they are NOT subject to the same process and procedure outlined in the Code of Conduct under the “Judicial Process”, and the processes and procedures in this policy will be followed instead. There is no hearing to determine responsibility, as that is the purpose of the investigation process. If there is a determination by the Title IX Coordinator and/or Deputy that the case should move forward for sanctioning, a Judicial Sanctioning Board will be called to determine sanctions.

11. If the responding party found responsible for a violation is a faculty or staff member, the Title IX Coordinator will consult with the chair of CODAH and the appropriate executive officers to review:
   - the responding party’s personnel file;
   - any past informal complaint where there has been a finding of discrimination and/or harassment;
   - a finding of discrimination and/or harassment by the responding party through the formal complaint process; or
   - any past formal or informal complaint against the responding party that was not judged to be a spurious complaint.

After this history has been taken into consideration, the Title IX Coordinator and Chair of CODAH will make their final recommendation for corrective action to the appropriate executive officer for implementation, if appropriate. Copies of the final recommendation will be sent to the reporting party, responding party, Chair of the CODAH, and appropriate executive officer for both the reporting party and responding party, and retained in the office of the Director of Human Resources. This process will be done within 60 days of the registration of the complaint in writing unless there are extenuating circumstances.

The executive officer will fully implement the recommendations unless she/he has good reason not to.

An executive officer who, for whatever reason, chooses not to fully implement the recommendations will explain her/his reasons for this decision in writing (insofar as possible) or in a face-to-face meeting with the Title IX Coordinator and Chair of CODAH.

After disposition and/or implementation of the corrective actions, the executive officer must notify the reporting party, Title IX Coordinator and Chair of CODAH, in writing, of the disposition and/or corrective actions that have been implemented.

12. Each party shall have the right to exclude from consideration, for purposes of determining responsibility, the party’s sexual history with persons other than the other party, their mental health diagnosis, or mental health treatment. Prior disciplinary violations may be considered for purposes of assessing sanctions.

Judicial Sanctioning Board for Gender-based discrimination and sexual misconduct (for students only)
The Judicial Sanctioning board will be called to determine sanctions in cases where a student is found responsible for violation of the Gender-Based Discrimination and Sexual Misconduct Policy through an investigation. The board composition shall be:

- The Chief Judicial Officer, or appropriate designee of the Vice President for Student Affairs, and
- one faculty member, and
- one staff person.

No member of this Board shall have been a party to the case, a witness to the case, worked as an investigator on the case, the current faculty advisor to any party in the case, a current instructor to or supervisor of any party in the case, or have any familial relation, professional relationship or close friendship to any party or witness to the case, or otherwise have any actual or perceived conflict of interest that may give the perception of a lack of ability to fairly determine any sanctions. Any potential conflict of interest shall be disclosed prior to the Board convening and if there is a conflict of interest, the conflicted person shall recuse him or herself and a non-conflicted replacement shall be named prior to the Board convening. Any conflicts of interest should be reported to the Title IX Coordinator, and the Title IX Coordinator will make the determination as to whether recusal is warranted.

The Board will allow the reporting party and responding party to present impact statements. The Board may also call upon the investigators to answer questions the Board may have regarding the final report. Both reporting and responding parties have the right to be present for any testimony before the Board. The Board will convene privately to review the case file, impact statements, and prior violations of the responding party. Based on all information available, and guidelines outlined in this policy, the board will determine the sanctions, and inform both the reporting party and responding party in writing of the sanctions and the rationale for the sanctions.

No corrective action will be implemented that violates any provision of a St. Bonaventure University employment contract.

Transcript Notation

The following standards for institutional transcript notation apply to any student accused of a violation of any St. Bonaventure University policy that is defined as a crime of violence reportable under the Clery Act:

- Students suspended after a finding of responsibility for said violations will have the following noted on the transcript: “Suspended after a finding of responsibility for a code of conduct violation.”
- Students expelled after a finding of responsibility for said violations will have the following noted on the transcript: “Expelled after a finding of responsibility for a code of conduct violation.”
- Students withdrawing from the University during an investigation, or any time prior to the completion of judicial procedures (including an appeal process), with respect to allegations of said violations, will have the following noted on the transcript: “Withdrawn with conduct charges pending.”

Withdrawal Prior to Completion of Process

Students withdrawing from the University during an investigation, or any time prior to the completion of judicial procedures (including an appeal process), to which they are subject as a responding party, may not be eligible for re-admission to the University or re-enrollment in any courses offered by the University on campus, online, or through any affiliate programs, unless and until the pending charges are resolved to the University’s satisfaction.

Resignation Prior to Completion of Process

Employees who resign from the University during an investigation, or any time prior to the completion of judicial procedures or other resolution process (including an appeal process), to which they are subject as a
responding party, may not be eligible for re-hire unless and until the pending charges are resolved to the University’s satisfaction.

**Temporary Withholding of Degree/Diploma; Denial of Participation in Commencement**

The University may withhold a student’s degree and/or diploma for a specified period of time and/or deny a student participation in commencement activities if the student is the subject of a pending complaint or investigation, or has disciplinary charges pending.

**Guidelines for Sanctioning**

- Any person found responsible for Non-Consensual Sexual Contact (where no intercourse has occurred) or Stalking will likely receive a sanction ranging from probation to expulsion/termination, depending on the severity of the incident, and taking into account any previous disciplinary violations/issues.
- Any person found responsible for Non-Consensual Sexual Intercourse, Domestic Violence or Dating Violence will likely receive a sanction of suspension or expulsion (student) or suspension or termination (employee).
- Any person found responsible for Sexual Exploitation or Sexual Harassment will likely receive a sanction ranging from warning to expulsion/termination, depending on the severity of the incident, and taking into account any previous violations/issues.
- Any person found responsible for Gender-Based Discrimination will likely receive a sanction ranging from warning to expulsion/termination, depending on the severity of the incident, and taking into account any previous violations/issues.

The decision-making body reserves the right to broaden or lessen any range of recommended sanctions in the case of significant mitigating or aggravating circumstances.

**Amnesty**

The health and safety of every student at St. Bonaventure University is of utmost importance. The University recognizes that students who have been drinking and/or using drugs, (whether such use is voluntary or involuntary) at the time that violence occurs, including but not limited to Domestic Violence, Dating Violence, Stalking, or Sexual Assault, may be hesitant to report such incidents due to fear of potential consequences for their own conduct. The University strongly encourages students to report Domestic Violence, Dating Violence, Stalking or Sexual Assault to University officials. A bystander acting in good faith or a reporting individual acting in good faith that discloses any incident of Domestic Violence, Dating Violence, Stalking or Sexual Assault to University officials or law enforcement will not be subject to the University’s Code of Conduct action for violations of alcohol and/or drug use policies occurring at or near the time of the commission of the Domestic Violence, Dating Violence, Stalking, or Sexual Assault.

**Appeals (for students only)**

An Appeals Board shall be convened when either the reporting party or the responding party choose to appeal the finding of the investigating officers and/or the sanction imposed by the Judicial Sanctioning Board. Additionally, the Appeals Board may consider appeals for removal of a suspension notation from the official transcript. If granted, the suspension notation will be removed no less than one year after the suspension is completed. No member of the Judicial Sanctioning Board who determined the sanctions in the case shall be part.
of the Appeals Board. The same rules that apply in selecting members of the Judicial Sanctioning Board (including rules with respect to conflicts of interest) shall apply to the Appeals Board. The Appeals Board composition shall be:

- The Vice President for Student Affairs (VPSA) or his/her designee, and
- One faculty or staff member, and
- One student.

**Appeal of Investigative Finding**

The appealing student shall file a written appeal to the VPSA. Appeals may be filed for the following reasons:

- Material procedural defect in the original investigation that is likely to have impacted the outcome, and/or
- Presence of new material evidence that was not available through no fault of the appealing party throughout the course of the investigation, and that, if known, would be likely to have impacted the outcome, and/or
- Substantial disregard for factual evidence that is likely to have impacted the outcome.

**Appeal for Review of Sanction**

The Appeals Board will hear appeals of sanctions in cases involving a finding of responsibility for Sexual Assault, Domestic Violence, Dating Violence or Stalking, and in other cases where the sanction is expulsion, suspension loss of good disciplinary standing, or loss of campus residency, if either party contends that the sanction is disproportionate to the nature of the severity of the violation. Other sanctions are not subject to review.

**Appeal Procedure (Students Only)**

The appealing party must file the appeal electronically as a Word Document attachment via University email to the VPSA within five class days of the letter of notification of (a) the outcome of the investigation or (b) if applicable, the outcome of the Judicial Sanctioning Board hearing, stating the specific reason and justification for the appeal. The VPSA will review the appeal request and determine whether or not the appeal request states a proper basis for appeal. If the VPSA determines the appeal states the proper basis, the Appeals Board will convene. Sanctions imposed are implemented immediately unless the VPSA stays their implementation pending the outcome of the appeal.

7. The Appeals Board process is not a “re-hearing” of the case. It will only consider facts and issues relevant to the basis for the appeal, and will not be conducting new investigations.
8. It will be assumed by the board that the original investigation and sanctions are sound, and the burden is on the appealing party to prove otherwise.
9. The Board shall meet with the appealing party and the non-appealing party (if requested), and may meet with anyone else deemed necessary to make their determination, including the investigators in the case.
10. The Board will make one of the following decisions:
a. **Finding/Sanction Stands:** If upon review of relevant information the Board finds that there is no merit to the appeal, or that any issue brought up in the appeal would not change the finding or the appeal, then the Board will affirm the finding and (if applicable) the sanction. This decision is final, and the case is closed.

b. **Appeal Granted:** If upon review of relevant information the Board finds that the appellant has met the burden of establishing that one or more grounds for appeal have merit, the Board has discretion to take action consistent with that determination. That may include, without limitation, in the case of procedural error or new information, remanding the case in whole or in part to the original investigators or new investigators or, in the case of disproportionality of a sanction, modifying that sanction as appropriate.

11. **Accommodations and Interim Measures**

Certain accommodations and interim measures may be made by the Title IX Coordinator and/or Deputy Coordinators, or appropriate designee, in an effort to protect the safety and/or well-being of any member(s) of the campus community. Initial or interim remedies are intended to address the immediate and ongoing effects of harassment, discrimination, sexual assault, sexual exploitation, domestic violence, dating violence, stalking or retaliation, or to prevent further harm to the alleged victim and to prevent further violations. These accommodations could include, but are not limited to: (a) changes in academic, living, transportation, and working situations if those changes are requested by the alleged victim and reasonably available; (b) “No Contact” Orders, Summary Suspension, or Access Restrictions as provided in the Code of Conduct under “Interim Sanctions”; or (c) any other interim restriction or sanction deemed appropriate by the Title IX Coordinator or Deputy Coordinators, or appropriate designee. A written summary of rights, options, supports, and procedures, is provided to all reporting and responding parties, whether they are students, employees, guests, or visitors.

When interim measures or accommodations are issued, affected students have the right to submit evidence and request review of them by an appropriate University Official, appointed by the Title IX Coordinator or Deputy Coordinators, or appropriate designee, to reconsider the need for and/or terms of the interim measures and/or accommodations.

If an outside agency or court of law has put in place an order of protection, the University will assist in upholding the order, including explaining the legal consequences for violating the order. If the University receives a report of an official order of protection being violated, the University will provide assistance in contacting the appropriate law enforcement agency.

**Title IX Investigators, Judicial Sanctioning Board Officers and Appeals Board Officers, etc.**

All Title IX officials (investigators, Judicial Sanctioning Board officers, Appeals Board Officers, Title IX Coordinator and Deputy Coordinators) will be individuals who receive annual Title IX training and participate in ongoing development on issues related to gender based discrimination, sexual harassment, domestic violence, dating violence, sexual assault and stalking. They will also receive training on how to sanction appropriately while protecting reporting party safety and promoting accountability.

**Advisor of Choice**
The reporting party and the responding party have the right to an advisor of their choice present with them through any interviews throughout the investigation, any proceedings resulting from Title IX investigations and any related meetings. The role of the advisor is to be of support to the parties. Advisors are not permitted to represent the parties. Thus, advisors are not permitted to ask or answer questions, nor are they to interfere in the process for any reason at any time. If an advisor does not adhere to these or other applicable ground rules, the advisor will be dismissed from the applicable interview, proceeding, or meeting, which will continue without opportunity for the advisee to secure a new advisor. Additionally, the University will determine its own schedule, and it is incumbent upon the reporting party and responding party to ensure their advisors are available. The schedule for interviews, hearings, appeals, or any meeting necessary will not be driven by advisor availability. Except in cases involving allegations of Domestic Violence, Dating Violence, Stalking or Sexual Assault, the advisor of choice for an employee of the University must be another employee of the University.

**Retaliation**

Reporting parties have the right to continue their employment or educational endeavors free from retaliation or further harassment as a result of filing a report or participating in a judicial process. Retaliation exists when an individual harasses, intimidates or takes other adverse action(s) against a person because of the person’s participation in an investigation or other process undertaken pursuant to this policy, or their support of someone involved in such an investigation or process. Retaliatory actions include but are not limited to threats or actual violence against a person or their property, adverse educational or employment consequences, ridicule, intimidation, bullying, or ostracism. An allegation that retaliation has occurred in violation of this policy will be investigated and adjudicated in accordance with the procedures set forth in this policy. Without limiting the preceding sentence, any evidence of such behavior from a responding party throughout the course of an investigation, or on behalf of the responding party, could warrant immediate summary suspension from the University pending the completion of the investigation and subsequent judicial process.

**Distribution of Policies and Procedures**

The University Policy and Procedures for Gender-Based Discrimination and Sexual Misconduct as they relate to SBU students can be found in the Student Code of Conduct, Appendix S. The Code of Conduct is located online at [www.sbu.edu/codeofconduct](http://www.sbu.edu/codeofconduct), or by going to the Student Affairs webpage at [www.sbu.edu](http://www.sbu.edu). Students, faculty and staff can also locate the Code of Conduct and the Gender-Based Discrimination and Sexual Misconduct policy and procedures on MySBU under general links. Hard copies of the Code of Conduct can be obtained by contacting the Student Affairs Division, 716-375-2512, or by going to the Student Affairs Office, Reilly Center 201. Additionally, the Gender-Based Discrimination and Sexual Misconduct policy and procedures are available in the annual crime report, published on the Student Affairs page of the University website, and hard copies are available in both the Safety and Security Office on the first floor of Robinson Hall, and in the Student Affairs Office. *St. Bonaventure University’s Guide to Understanding Sexual Misconduct* is a comprehensive booklet dedicated to the understanding of issues related to Gender-Based Discrimination and Sexual Misconduct, and includes extensive information about policies, procedures, local resources, bystander intervention, the importance of timely evidence collection, myths and facts, etc. This is distributed to each first year student as they attend an educational program focused on sexual violence during Welcome Days and is available in print upon request, and online as outlined above.
Training and Prevention Programming

In an effort to reduce the risk of gender-based discrimination and sexual misconduct occurring among its students, St. Bonaventure University utilizes a range of campaigns, strategies and initiatives to provide awareness, educational, risk reduction and prevention programming.

It is the policy of the St. Bonaventure University to offer programming to prevent domestic violence, relationship/intimate partner violence, sexual assault (including stranger and known offender assaults) and stalking each year. Educational programs are offered to raise awareness for all incoming students and employees, and are often conducted during new student and new employee orientation and throughout an incoming student’s first semester. These programs and others offered throughout the year include strong messages regarding not just awareness, but also primary prevention (including normative messaging, environmental management and bystander intervention), and discuss institutional policies on gender-based discrimination and sexual misconduct as well as the New York State definitions of domestic violence, dating violence, sexual assault, stalking and consent in reference to sexual activity. Bystander engagement is encouraged through safe and positive intervention techniques and by empowering third-party intervention and prevention such as calling for help, using intervention-based apps, identifying allies and/or creating distractions.

Programs also offer information on risk reduction that strives to empower victims, how to recognize warning signals and how to avoid potential attacks, and do so without victim-blaming approaches. Throughout the year, ongoing awareness and prevention campaigns are directed to students and employees, including faculty, often taking the form of campaigns, guest speakers, events, and programs sponsored by student clubs and organizations such as VOICES (the University women’s issues student organization). In addition, the University requires all first year students to complete MyStudentBody, an online educational platform offered by Hazelden Publishing. Students are required to complete Essentials courses in Alcohol, Drugs and Sexual Misconduct.

Title IX Coordinator

In accordance with Office of Civil Rights legislation pertaining to Title IX of the Education Amendments of 1972, the University is required to appoint and maintain a coordinator for Title IX Compliance on campus. St. Bonaventure University’s Title IX Coordinator is the Director of Human Resources, Erik Seastedt, 716-375-2102, or eseastedt@sbu.edu. Documentation of investigations, findings, and Judicial Sanctioning Board Hearing outcomes regarding alleged gender-based discrimination and sexual misconduct will be kept on record with the Title IX Coordinator in accordance with University policies regarding records management.

Appendix T – Smoking Policy

The New York State Legislature has determined that there is a significant body of scientific literature showing that breathing second-hand smoke is a health hazard for nonsmokers. To protect nonsmokers from involuntary exposure to secondhand tobacco smoke in indoor areas, and to preserve the health, comfort and environment of the people of New York, the Legislature has enacted a law regulating smoking in certain public areas, including private educational institutions. St. Bonaventure University, as an educational community and consistent with the Franciscan values recognizing the sanctity of human life, complies with this New York state mandated health policy.

In compliance with state law, then, and faithful to the core values of St. Bonaventure University, the following smoking regulations have been adopted:

1. Smoke-free Workplace: St. Bonaventure University guarantees its employees and students a smoke-free workplace.
   a) Smoking is prohibited in ALL indoor areas of the University, including University vehicles.
   b) Smoking is not permitted in any residence facility, at anytime.
   c) Smoking is prohibited within 30 feet or less distance from all entrances/exits to all University buildings.

2. Tobacco Products: Sale of tobacco products is restricted on campus.

3. Posting of Signs: “No Smoking” signs will be prominently displayed. Additionally, copies of this policy will be posted on the University Web site, employee handbooks and available to all employees and prospective employees upon request.

4. Enforcement: Failure to comply with this policy places both the smoker and the University at risk of substantial civil penalty.
   a) Sanctions: Sanctions will be imposed as a result of a University judicial hearing.
   b) Flagrant repeated violations of this policy may be cause for severe disciplinary action up to and including dismissal (for employees) or expulsion (for students). These sanctions will be assessed through already existing University procedures.

5. Responsible Person: Complaints may be directed to the director of Safety and Security, the University’s agent responsible for enforcing this policy, and/or the residence life staff for violations occurring in the residence halls.

**Appendix Y – Hazing Policy**

St. Bonaventure University supports the emotional, psychological, and physical health and well-being of its students. Any form of hazing is unacceptable and is in direct conflict with our Franciscan heritage and University Mission, which honors the dignity of all people. All students have the right to belong to groups without risk of danger or humiliation. Consent to hazing is never a defense to a violation of this policy.

New members of clubs, organizations and teams can expect to participate in educational and fun activities that build teamwork and camaraderie among all members of the group. Such activities are intended to create a sense
of identity and commitment within a group and are generally acceptable and encouraged. Students should check with the Center for Activities, Recreation and Leadership staff, athletics staff, club or organization advisors, etc. if there is any question about an activity constituting hazing.

The University prohibits hazing by individuals or groups and defines it as follows:

Hazing is any reckless or intentional act, occurring on or off campus, that produces physical, mental, or emotional pain, discomfort, humiliation, embarrassment, or ridicule directed toward other students or groups (regardless of their willingness to participate), that is required or expected of new members and which is not related to the mission of the team, group, or organization. This includes any activity, whether it is presented as optional or required, that places a new member in a position of servitude as a condition of membership. In addition to the activities listed below, prohibited acts of hazing include those covered under New York state law (see below).

Though it would be impossible to list all behavior that could be deemed to be hazing, the following are some typical examples of hazing and are prohibited:

1. any physical act of violence expected of, or inflicted upon, another person. Examples include but are not limited to: whipping, beating, striking, branding, electronic shocking, placing of a harmful substance on the body
2. any physical activity expected of, or inflicted upon, another, including but not limited to excessive calisthenics, sleep deprivation, exposure to extreme elements, confinement in a small space, or other activity that subjects the student to an unreasonable risk or harm or that adversely affects the mental or physical health or safety of the student
3. any activity that pressures or coerces another person to consume a food, liquid, alcoholic beverage, liquor, drug, or other lawful or unlawful substance which subjects the student to an unreasonable risk of harm or which adversely affects the mental or physical health or safety of the student
4. kidnapping, forced road trips, and/or abandonment
5. required carrying of or possessing of a specific item or items
6. servitude (expecting a new member to do the tasks of an experienced member)

New York Hazing Law

Penal Law § 120.16 Hazing in the first degree.
A person is guilty of hazing in the first degree when, in the course of another person's initiation into or affiliation with any organization, he intentionally or recklessly engages in conduct which creates a substantial risk of physical injury to such other person or a third person and thereby causes such injury. **Hazing in the first degree is a class A misdemeanor.**

Penal Law § 120.17 Hazing in the second degree.
A person is guilty of hazing in the second degree when, in the course of another person's initiation or affiliation with any organization, he intentionally or recklessly engages in conduct which creates a substantial risk of physical injury to such other person or a third person. **Hazing in the second degree is a violation.**

Consent Not a Defense
It is not a defense for violation of this policy that the person against whom the hazing was directed consented to or acquiesced in the hazing activity.

Conditions That Create a Hazing Dynamic

1. New members often wish to be accepted, either formally or informally, into any group, and will submit to hazing in order to be included. Because of this, consent to be hazed does not excuse hazing. Students have died or been seriously injured as a result of participating in activities to which they have “consented.” The psychological pull to be accepted is so strong that hazing victims cannot be expected to resist hazing, even if the hazing is presented as optional. That this pull can be so coercive should make this need to prohibit this conduct, to any degree, undeniably clear.

2. Any activity that places new members in a subservient position to experienced members creates an unhealthy and unsafe power dynamic in which control has been yielded to the experienced member. New members in any organization may expect to be trained, oriented, or indoctrinated, but membership in any group that puts a new member in a lesser role, unrelated to the original conditions for membership or mission of the group, is inappropriate and unfair to the new members. Any activities of membership should be equally shared among experienced and new members.

Reporting Protection
The University will take all appropriate measures to accommodate students reporting incidents of hazing, or are witnesses in investigations or judicial hearings, and are at risk for retaliation. Students who, in good faith, make reports and/or provide witness testimony in judicial hearings should do so without fear of retaliation or judicial action for unrelated violations of University Policy. Thus, the University reserves the right, in its sole discretion, to provide said students with immunity with regard to such violations or infractions of University policy, as it deems appropriate on a case by case basis.
