Each year, hundreds of local and regional students are enrolled at Jamestown Community College (JCC) campuses and St. Bonaventure University (SBU), where they continue their post-secondary education. Through a unique and ongoing partnership between JCC and SBU, students are provided extensive options and opportunities in pursuit of their educational dreams.

Guaranteed Admission and Transfer Credit
SBU and JCC currently offer more than 19 articulation agreements and continuously update and/or add agreements on a regular basis. Collaborating closely with JCC students, an SBU advisor works individually with students to ensure that maximum credits are accepted into the University. JCC graduates with an A.S. Liberal Arts and Sciences degree with a minimum of a 2.5 GPA are guaranteed acceptance and full junior year standing. Each semester, JCC students can register for one course at SBU at no additional cost.

Merit & JCC Specific Scholarships

St. Bonaventure offers attractive merit-based transfer scholarships to incoming students who achieve a cumulative grade point average of 2.25 or better.

Housing is available on the SBU campus for JCC students attending the Cattaraugus Campus:
Each year, St. Bonaventure designates one of its residence halls to house JCC students who are attending classes at the JCC Cattaraugus Campus. In addition to housing, several meal options are also available to JCC students.

"Being a transfer student at St. Bonaventure University is probably the smartest and easiest decision I've made. I've met some wonderful new friends and have built connections with people around the world—just because I'm a Bonnie. This has been, and will continue to be, extremely helpful when it comes time for me to search for a job in May. With my baccalaureate degree in Journalism and Mass Communication from St. Bonaventure University, I will be able to do anything and go anywhere that involves my passions. I'm truly not worried about finding a job because of the solid education I've had the opportunity to take advantage of. I couldn't have asked for a better university to align with my personality, and to continue my education."

Go Bonnies,
