

Transcript Request Information

To help you in requesting your official college transcripts for SBU, here is a list of academic record offices for central and western New York colleges. The information below is based on website research. We've listed the contact address and cost. Transcripts should be sent directly to the graduate admission office at SBU. You'll speed up this process if you use the transcript request forms provided and send the SBU reply envelope along with the request. It can take from a couple days to a few weeks for a transcript to be sent, with delays more likely around the very beginning and end of a semester. Please note: A faxed transcript cannot be accepted as official.
