Residence options & perks for transfers

Most transfer students will be sophomores, juniors or seniors — all of whom have enhanced residential opportunities, including:

- single rooms with other transfers in Francis or Devereux halls;
- suite-style living in Shay Hall;
- living with a roommate in Devereux or Doyle halls.
- Laundry facilities are free and conveniently located on campus.

D-I Athletics, Club Sports & Intramurals

- More than 85 percent of students participate in intramurals, club sports or programming at the Richter Recreation Center. And, almost every student has been part of the pandemonium in the Reilly Center during basketball season. St. Bonaventure is one of the smallest schools in the nation to have Division I athletics, with seven varsity sports for both men and women in the Atlantic 10 Conference.

Will my credits transfer?

- St. Bonaventure accepts most credits from accredited institutions as long as your cumulative grade point average is at least 2.5.
- Students who have earned an associate's degree in the arts or sciences will have satisfied seven or eight of our core courses.

TRANSFER ACADEMIC SCHOLARSHIPS

<table>
<thead>
<tr>
<th>College GPA</th>
<th>Award w/Phi Theta</th>
</tr>
</thead>
<tbody>
<tr>
<td>3.5 or above</td>
<td>$14,000</td>
</tr>
<tr>
<td>3.0 to 3.49</td>
<td>$12,000</td>
</tr>
<tr>
<td>2.25 to 2.99</td>
<td>$8,000</td>
</tr>
</tbody>
</table>

NOTE: All scholarships are renewable annually provided the student meets the cumulative GPA and resident requirements.

Find out when @ [www.sbu.edu/visit](http://www.sbu.edu/visit)

- Meet with admissions staff and faculty
- Tour our beautiful campus
- Receive a transfer credit evaluation
- Learn about merit scholarship eligibility
- Be accepted on the spot

Disability Services

- Accommodations
- Workshops
- Consultation
- Parent and student information sessions
- Access to learning center

“One of the things I love about this school is that the professors all were in the field themselves and they share their experiences.”

Leah Murphy, SBU Class of 2011
Journalism & Mass Communication

“I liked how they housed all the transfer students together.”

David Paccapaniccia, SBU Class of 2013
A graduate of SBU’s journalism and integrated marketing communications programs, Tony Lee wasn’t sure what he wanted to do or where he wanted to go after leaving Orange Coast College in Costa Mesa, Calif.

But the appeal of a four-year college in the East intrigued him. On a tour of five colleges, St. Bonaventure was his final stop.

“It didn’t matter that I’m an Asian transfer student from Southern California. It didn’t matter that I’m older than most students in my class. Bonaventure welcomed me into its family, made my transition to a new school effortless by accepting me for who I am.

“The only regret I have on transferring to Bonaventure is not transferring sooner. I’m now a Bonnie and I’ll be a Bonnie for life. I hope my final year in grad school at St. Bonaventure will be as great as my first three years.”

Tony sums up his Bonaventure experience in the language of the day:

“A one-way ticket from Los Angeles to Buffalo: $150.
“Buying stuff for my first dorm room: $400.
“Getting an unforgettable college experience 2,782 miles away from home: priceless.”
