The Bonnies welcome you to Olean

Rink - William O. Smith Recreation Center
Our rink is at 551 East State St., at Front Street, Olean; Phone: (716) 373-RINK

From the east or west, take I-86 to Exit 26; turn right (south) off the exit onto Route 16; then turn left (east) onto Front Street, which is just past the hospital. Once you pass beneath a railroad overpass (clearance is only 10'10" - see next paragraph for alternate route), the rink will be on the right. Enter the parking lot directly across from Garden Avenue.

From the north, Route 16; from the 400 south of Buffalo, either turn onto I-86 in Hinsdale and follow directions above; or continue on Route 16 to Front Street near the hospital; or through downtown Olean to the main intersection and turn left (east) onto East State Street (Route 417). After 0.5 miles, turn left onto Front Street; the rink and its only parking lot are on your left.

From the north, Route 219; from Buffalo, continue through Springville, Ellicottville and into Salamanca. Bear right at Route 417 for quicker access to I-86 East. Follow directions at top of this column.

From the south, Route 219; from Bradford, continue through Limestone, N.Y., to I-86 East. Follow directions at top of page.

In for an overnight stay?
The Olean area has more options, but not all of them fit in the space below. A good online source for more information about our area is http://www.oleanny.com/
