Dear Alumni,

Exciting news: St. Bonaventure University now offers a [virtual tour](#) of our campus! Imagine a prospective student who wants to visit our campus but simply cannot make the trip. We now have the option to take them around campus from the comfort of their own home.

The tour allows you to follow it from start to finish, or stop at certain venues that are of interest. Within each tour stop, additional photos are available for viewing as well as video. You can listen to the audio of the tour, or simply read the script. There is also a campus map that tells you exactly where you are on campus.

This is the first step in the development of our virtual campus tour. Over the upcoming months we will shoot additional photos and 360-degree images of the campus, along with filming current students who will pop up at each stop to give the actual walking tour. A mobile app will also be available so that if someone is on campus, they can upload the app and take a self-guided tour based on their campus location.

Currently, the tour has been placed on our [website](#) at strategic locations. We encourage you to check it out and share the tour with fellow alumni, friends and interested high school students. Sharing is as simple as clicking the Share button in the lower left corner of the tour and choosing to copy the link to the tour, or share via multiple social media platforms.

We hope you enjoy!
