

BIOLOGY

The Department of Biology at St. Bonaventure University invites applications for a tenure-track assistant professor position in Animal Physiology beginning with the fall 2010 term, subject to final budget approval.

The ideal candidate will teach courses in anatomy and physiology and our innovative core course in scientific inquiry. Candidates must have a Ph.D. and post-doctoral experience, and be able to develop an active research program involving undergraduates. Startup funds and newly built and renovated research space are available. Institutional support is available for faculty research and development, and to enable students to work with faculty on summer research projects.

Submit letter of application, curriculum vitae, research statement, teaching philosophy, un-official transcripts, and three letters of recommendation to Dr. Eleanor Green; Dean, School of Arts and Sciences; St. Bonaventure University, St. Bonaventure, NY 14778. Fax 716-375-7665.

Review will of applications will begin immediately and continue until the position is filled.

St. Bonaventure University is an Equal Opportunity Employer, committed to fostering diversity in its faculty, staff and student body, and strongly encourages applications from the entire spectrum of a diverse community.
