

STATISTICAL ANALYSIS

The School of Business at St. Bonaventure University invites applications for a tenure track Assistant Professor of Statistical Analysis in the Department of Finance beginning in the fall 2010 term, subject to final budget approval.

The School of Business is accredited by AACSB International, currently has 26 full-time faculty, and offers the BBA, MBA, and MS in Professional Leadership degrees. Undergraduate majors are offered in accounting, business information systems, finance, management sciences, and marketing. An integrated Five-Year program in accounting is also offered.

The successful applicant will be willing and able to teach Statistics and Statistical Applications for Business at both the undergraduate and graduate levels, with a possible secondary area of teaching in Quantitative Methods. In addition, a demonstrated commitment to excellence in teaching, scholarship and service will be expected. A Ph.D. in Statistics or a closely related field is desired.

The applicant's curriculum vitae, letter of application, and the names and contact information of at least three professional references should be sent to: Dr John G. Watson; Dean, School of Business; St. Bonaventure University; St. Bonaventure, NY 14778.

Review of applications will begin immediately and continue until the position is filled.

St. Bonaventure University is an Equal Opportunity Employer, committed to fostering diversity in its faculty, staff and student body, and strongly encourages applications from the entire spectrum of a diverse community.
