

Adjunct Mathematics Instructor

The Mathematics Department of St. Bonaventure University seeks an Adjunct Mathematics Instructor to teach university level Calculus II and Introduction to Statistics for the Spring '10 semester. (See <http://www.sbu.edu/artsandsciencesCD.aspx?id=2778> for course descriptions.)

The instructor will be responsible for teaching one section of each of these two courses at Bonaventure's Warren, PA site. The audience is talented high school juniors and seniors from Warren County, PA. In addition to a stipend, travel reimbursement will be available.

Minimum qualifications include: (1) a Master's degree in mathematics (2) mathematics teaching experience at either the secondary or college level (preferably both). Applications must include a cover letter discussing teaching styles and strengths, curriculum vitae, and three letters of recommendation focused on teaching ability. Send applications to: Dr. David DiMattio, Dean of Clare College / St. Bonaventure University / St. Bonaventure, NY 14778. Review of applications will begin immediately. St. Bonaventure University, located just outside Olean in southwestern NY State, is an Equal Opportunity Employer committed to creating and maintaining a diverse campus climate. Qualified members of traditionally under-represented groups are particularly encouraged to apply. Please visit our departmental web site at <http://www.sbu.edu/artsandsciences.aspx?id=1794> for information about the department and university.
