

Lucy E. Gilligan Fund Transportation Grants

Established in 2002, the Lucy E. Gilligan Fund was created to help regional school districts bring their elementary, middle, and high school students to exhibitions, performances, and other programs at The Regina A. Quick Center for the Arts to ensure that young people can take advantage of our varied resources.

The application process is straightforward.
Interested schools need to submit two things:

1. Completed School Bus Grant Application (second page).
2. A quote from the transportation company the school will be using to bus the students to the Quick Center (see application for further details).

Notification of awarded funds usually occurs within three weeks of receipt of request. Funds will be dispersed in the form of a check mailed to the school on the day of your visit to the Quick Center.

The deadline to apply for this grant is one month prior to your visit.
