FRANCISCAN PRAYER FOR PEACE

*Lord, make me an instrument of your Peace!
Where there is hatred, let me sow Love;
where there is injury, Pardon;
where there is doubt, Faith;
where there is despair, Hope;
where there is darkness, Light;
and where there is sadness, Joy.*

*Lord, grant that I may not so much seek
to be consoled as to Console,
to be understood as to Understand,
to be loved as to Love.
For it is in giving that we Receive,
it is in pardoning that we are Pardoned,
and it is in dying that we are born to Eternal Life.*

ACADEMIC REGALIA

The gowns worn at Commencement reflect a tradition dating from the first universities founded in Europe almost 800 years ago. Because those seats of learning were established by religious orders, the characteristics of their dress at that time are retained, albeit in a somewhat modified form.

The colors that designate areas of study were established for the colleges and universities of the United States in 1895.

The hood, now worn symbolically, was formerly a practical part of the garment, worn over the head to protect the wearer from cold and the elements.

There are three types of robes:

The bachelor's gown is black with full sleeves.

The master's gown, also black, has long sleeves closed at the bottom and a slit midway, through which the wearers put their arms.

The doctor's gown is usually black, but other colors are also used. It is characterized by velvet facing on the front and velvet bars on the sleeves.

The colors used on all hoods, as well as on the velvet of the doctor's gown, indicate the area of study or type of degree.

You'll see these colors today on the hoods of St. Bonaventure University undergraduate and graduate candidates:

White: Bachelor and Master of Arts.

Gold: Bachelor and Master of Science.

Tan: Bachelor and Master of Business/Accountancy.

Crimson: Bachelor of Arts in Communication.

Light blue: Master of Science in Education.

The predominant faculty hood color you'll see is deep blue, for Ph.D. The color of the lining of the faculty hoods indicates the institution from which their degrees were earned.

The tassel on the mortarboard, or cap, is black with the exception that the doctor's tassel is usually gold.

The president of St. Bonaventure is wearing the presidential medallion and chain, signifying the office.

2021 IDEAL BONAVENTURE STUDENTS

Annually selected are two graduating students and honorable mentions who most exemplify the spirit of St. Bonaventure and the ideals of St. Francis through their demonstrated commitment to community service and academic excellence throughout their undergraduate time at Bona's. This highest honor and treasured tradition celebrates the wonderful character of the St. Bonaventure graduate.

Alison Garlock

Bachelor of Science in

Adolescence Education and Mathematics

Alison Garlock of East Aurora, New York, is graduating with Bachelor of Science degrees in adolescence education and mathematics.

Garlock conducted her student teaching assignments at Ellicottville High School and Olean Middle School, and her field experience at Jamestown High School. She also worked with students at Olean High as part of her teacher education tutoring experience. Garlock was a Peer Tutor in the university's Learning Center and worked in the Math Lab for two years.

For the past three years Garlock has been a resident assistant, working in Shay, Robinson and Devereux halls. Because of her exceptional contributions to the campus residential community and her leadership, Garlock received the 2021 RA Senior Achievement Award from Student Affairs.

Those who nominated Garlock for the Ideal Student award praised her work ethic, compassion and integrity, particularly as a resident assistant and in her involvement in University Ministries.

"As an RA, she has built community on a variety of floors (upperclassmen and first-year). Not only has she helped hundreds of residents grow and become part of the Bonaventure community, but she is always taking the next step and helping other RAs do the same," said student Kurt Stitzel in his nomination letter.

Garlock's life centers strongly around her faith. She completed the Rite of Christian Initiation (RCIA) process as a freshman and then went on to serve as a leader of the university RCIA Team that helps prepare students to fully enter the Catholic Church. Garlock has helped teach and mentor others in their faith journey through this formation program as a volunteer over the last three years. She was also a member of the SEARCH Retreat Team.

Garlock plans to continue her SBU education by pursuing her master's in inclusive special education while continuing to work in Residence Life and as a graduate assistant in the School of Education.

2021 IDEAL BONAVENTURE STUDENTS

Puja Sasankan

*Bachelor of Science in Psychology,
Minor in Business Administration*

Puja Sasankan of Williamsville, New York, is graduating with a Bachelor of Science degree in psychology and a minor in business administration.

As a freshman, Sasankan immersed herself in the academic and co-curricular life of the university. For four years, she has served in Student Government Association as well as a member of the campus Medical Emergency Response Team.

Her peers describe her as passionate in everything she does, whether it's developing choreography as dance manager of Asian Students in Action, volunteering with the campus Food Pantry, or helping other students as a peer tutor.

Throughout her time at St. Bonaventure, Sasankan has dedicated herself to the campus community: She was a First-Year Experience resident assistant, a supplemental instructor for PSYC-201, and the student coordinator for Franciscan Health Care Professions.

In preparation for medical school, she has completed several internships and shadowing experiences including two stints as a research intern in the Department of Immunology at Roswell Park Cancer Institute. Since fall 2019, she has participated in the Experience in Clinical Medicine Program at Olean General Hospital.

In addition, Sasankan has pursued academics abroad by spending the summer of 2019 in England through the Francis E. Kelley Oxford Program.

Student Anna Egli said Sasankan spreads the joy of being Hindu, showing the beautiful diversity the campus holds.

“Puja is a kind, caring individual who takes the time to build lifelong friendships and connections here on campus. I know her attributes have not only made an impact here at St. Bonaventure, but also will continue to impact the lives of others as she moves forward in her career,” said Egli.

This fall, Sasankan plans to attend The George Washington School of Medicine and Health Sciences in Washington, D.C.

The Ideal Student honorable mentions are Anna R. Hu, a biochemistry major from Latrobe, Pennsylvania, and Victoria Viola Wangler of Honeoye Falls, New York, who is an English and professional & creative writing double major and marketing and Spanish double minor.

In Loving Memory

Dr. Dennis DePerro

21st President of St. Bonaventure

February 18, 1959 – March 1, 2021

ALMA MATER

With myrtle wreath we'll deck thy brow,

Bona's, old St. Bona's.

The verdant leaves our love avow,

Bona's, old St. Bona's.

Thy name was ever fair and bright:

We'll keep it thus with memory's light

And laud thy glorious Brown and White,

Bona's, old St. Bona's.

Our hearts shall ever be thy shrine,

Bona's, old St. Bona's.

Around thy name shall honor twine,

Bona's, old St. Bona's.

E'er hallowed shall thy memory grow:

Though years have fled and years shall flow

Within our souls thy love shall glow,

Bona's, old St. Bona's.
