COMMENCEMENT SPEAKER

Fr. Dan Riley, ofm, '64

Founder & Animator, Mt. Irenaeus

A member of our Class of 1964, Fr. Dan Riley has been the charismatic face of St. Bonaventure for more than 50 years.

Only twice since he walked onto campus as a freshman in 1960 has Fr. Dan not been part of the university community: from 1964-1971 and 1974-1978 when he was assigned elsewhere in the Northeast by Holy Name Province.

In 1974, Fr. Dan founded the Warming House in Olean, the nation's oldest student-run soup kitchen, while he was the assistant spiritual director at the university. Started as a drop-in center for lonely adults, it soon began to offer one meal a day to hungry, homeless and disadvantaged people.

Today, the Warming House serves more than 10,000 Olean-area residents annually and offers service and internship opportunities for St. Bonaventure students as it continues its mission to provide nourishment, fellowship and dignity to its guests.

In 1978, when he returned to Bonaventure as regional vocation director and campus minister, Fr. Dan gathered with students, Franciscan sisters and others to consider the formation of a Franciscan mountain community dedicated to contemplation and simple living for people of diverse backgrounds.

Six years later, the Mt. Irenaeus Board of Directors purchased 204 acres in West Clarksville, New York, culminating with the dedications of Holy Peace Chapel in 1990 and the Mountain's signature common house, the House of Peace, in 1995. Holy Peace Friary was established in 1990 with three Franciscan friars in residence at the Mountain: Fr. Dan, Fr. Joe Kotula, and the late Fr. Dan Hurley.

Fr. Dan, who has been director of Mt. Irenaeus since its inception, took the show on the road in the early 1990s. His Mountain on the Road events, an outreach of the Mt. Irenaeus experience, continue today, offering spirituality through discussion and prayer several times a year across the nation.

Last fall, Fr. Dan released his first book, "Franciscan Lectio: Reading the World through the Living Word" published by Paraclete Press.

A native of Rochester, Fr. Dan earned a bachelor's degree in philosophy from St. Bonaventure and a master's degree in theology from Washington Theological Union.

The awarding of degrees or commission to candidates who are listed in the program is contingent upon their successful fulfillment of all department, school and university requirements for their specific degrees by the appointed dates for certification of credits. St. Bonaventure University provides equal opportunity without regard to race, creed, color, gender, age, national or ethnic origin, marital status, veteran status, or disability in admission, employment, and in all of its educational programs and activities. Questions about or grievances pertaining to discrimination should be directed to the university's advocacy officers.

ACADEMIC REGALIA

The gowns worn at Commencement reflect a tradition dating from the first universities founded in Europe almost 800 years ago. Because those seats of learning were established by religious orders, the characteristics of their dress at that time are retained, albeit in a somewhat modified form.

The colors that designate areas of study were established for the colleges and universities of the United States in 1895.

The hood, now worn symbolically, was formerly a practical part of the garment, worn over the head to protect the wearer from cold and the elements.

There are three types of robes:

The bachelor's gown is black with full sleeves.

The master's gown, also black, has long sleeves closed at the bottom and a slit midway, through which the wearers put their arms.

The doctor's gown is usually black, but other colors are also used. It is characterized by velvet facing on the front and velvet bars on the sleeves.

The trustees gowns are gray.

The colors used on all hoods, as well as on the velvet of the doctor's gown, indicate the area of study or type of degree.

You'll see these colors today on the hoods of St. Bonaventure University undergraduate and graduate candidates:

White: Bachelor and Master of Arts.

Gold: Bachelor and Master of Science.

Tan: Bachelor and Master of Business/Accountancy.

Crimson: Bachelor of Arts in Communication.

Light blue: Bachelor and Master of Science in Education.

Medicine green: Master of Science in Physician Assistant Studies

Slate blue: Master of Science in Occupational Therapy

The predominant faculty hood color you'll see is deep blue, for Ph.D. The color of the lining of the faculty hoods indicates the institution from which their degrees were earned.

The tassel on the mortarboard, or cap, is black with the exception that the doctor's tassel is usually gold.

The president of St. Bonaventure is wearing the presidential medallion and chain, signifying the office.
