SECULAR FRANCISCANS SUMMER PROGRAM

**"The Franciscan Way of Bold Hope:
Caring When It's Hardest to Care"**

David B. Couturier, O.F.M. Cap., Director of the Franciscan Institute

June 14, 21, 28, 2025

11:00 a.m. – 12:30 p.m. (EST)

All sessions will be held by Zoom.

We are living in a time when the great democracies of the world are pulling back from their great commitment to care for those who are most vulnerable in society today. Some have called it a "crisis of care." As Secular Franciscans, we have been caring directly and communally for the poor since Francis of Assisi first founded the Order in the 13th century. This three-part series will review the history and spirituality of Franciscan "caring when it's hardest to care." The Zoom presentations will be:

1. "The Courage to Care: Embracing Hope in Difficult Times"

Exploring the Secular Franciscan call to love and serve even when faced with suffering, division, or despair.

2. "Wounded Healers: A Franciscan Theology of Disability and Care"

Seeing disability through the lens of Franciscan spirituality—how vulnerability, interdependence, and dignity shape a compassionate practice of care.

3. "Franciscan Transformative Care: Rebuilding Communities of Hope"

Drawing from the Franciscan tradition to create healing, inclusive, and hope-filled communities—especially in times of crisis and marginalization.

A Zoom link will be provided to all those who register for this program.
