

# NYSTCE EXAMS

To become certified to teach in New York State, all teacher candidates are required to take a series of exams. The NYSTCE exam series is designed to ensure that certified teachers have the necessary knowledge and skills to be an effective teacher in New York State public schools. A passing score on all required exams is necessary for teacher candidates in order to become NYS certified.

When enrolling for the exams below, please be sure to select St. Bonaventure University as your reporting school.

You must register for the exams online at [www.nystce.nesinc.com](http://www.nystce.nesinc.com) and pay using a credit card.

**\*\* It is the student's responsibility to retain a copy of these test scores. During the job search you may be asked by school districts to provide copies of your scores. The School of Education does not receive your scores and you do not need to provide the college with this information. The Teacher Certification Examination test scores are not a prerequisite to entrance into student teaching.**

## Required Exams for All Students

- EAS- Educating All Students.
- CST- Content Specialty Test in the content area of the certification.
