

### **Clinical or Tenure Track Assistant, Associate, or Full Professor of Occupational Therapy**

St. Bonaventure University's (SBU) School of Health Professions, Department of Occupational Therapy, is seeking applications for two 12-month Clinical or Tenure Track Assistant, Associate, or Full Professor positions in the Master of Science in Occupational Therapy (MSOT) program. The SBU entry-level MSOT Program joined the School of Health Professions at SBU, which includes professional preparation programs in Public Health, Health Science, Nursing, and Physician Assistant Studies.

- Candidates must be certified by the NBCOT, eligible for licensure in the State of New York, and must have a minimum of 3 years' experience in occupational therapy practice.
- Candidates must have an earned master's degree in occupational therapy.
- Candidates must have Level I and Level II supervision experience.
- Candidates holding an advanced degree (e.g., OTD, EdD, PhD, ScD) are preferred.
- Demonstrated teaching experience in higher education is preferred.

Candidates should be dynamic, effective, progressive educators and researchers who work well with others and will be expected to teach in their area of expertise, develop an independent line of scholarship, and provide service to the University, community, and the profession. SBU offers faculty robust resources and support, including highly competitive salaries and funding for on-going professional development, to ensure success in effective teaching, scholarship, and service.

To apply, please send a letter of interest, curriculum vitae, and contact information for three references that can speak about fieldwork supervision, teaching, research, service and professional accomplishments via email in a single pdf file to the following:
