Welcome Back, Bonnies! We’re excited to have you back with us this fall. As you are well aware, this year has seen more than its share of challenges on many levels. I need to make you aware of some very important pieces of information regarding your return to campus:

1. **You MUST get COVID-19 PCR molecular test completed within 14 days of your return to or arrival on campus.** Please contact your primary care provider or your local county or state Department of Health to help you get tested. You may also visit [https://coronavirus.health.ny.gov/find-test-site-near-you](https://coronavirus.health.ny.gov/find-test-site-near-you).

2. **You MUST upload** a copy of your test results to the SBU Health Portal before you arrive on campus. If you do not do this, you will not be permitted to enter campus. **Your COVID test result MUST include:** 1. Name of Student. 2. Birthdate. 3. Type of COVID test performed. (must be PCR Molecular nasal swab test) 4. Name of testing center or company. If you have a positive test, please contact Health Services for additional assistance BEFORE you leave to come to campus from your home or previous location. The directions for accessing the Student Health Portal are below.

3. **PRE-ARRIVAL QUARANTINE:** Students coming to campus from certain states ARE REQUIRED to quarantine for 14 days. **ON JULY 29 or 30 YOU RECEIVED AN EMAIL WITH DETAILS REGARDING THE QUARANTINE PROCEDURES … PLEASE MONITOR ALL EMAIL COMMUNICATIONS CLOSELY that are sent to you from the university as this situation may change. Please visit [https://coronavirus.health.ny.gov/covid-19-travel-advisory](https://coronavirus.health.ny.gov/covid-19-travel-advisory) or call the NY COVID-19 Hotline: 1-888-364-3065 for additional updates and more information.** PLEASE NOTE: INTERNATIONAL STUDENTS MAY NOT BE REQUIRED TO QUARANTINE. Check with Yvette Jordan in the International Students Office 716-375-4009 to see if you are required to do so. You must fulfill any national, state, or local requirements in place when you arrive.

4. **Update your health history information** in the student health portal so that we have the most current health information for you. (See instructions below for doing this.)

5. **MANDATORY PRE-ARRIVAL SCREENING QUESTIONNAIRE:** Students must complete via [MySBU.edu](http://mysbu.edu) a pre-arrival screening no more than 48 hours prior to arrival on campus. Results will be routed to SBU Health Services for follow-up. Any student indicating the presence of COVID-19-like symptoms will not be permitted on campus. Visit [https://my.sbu.edu/](https://my.sbu.edu/) **Please make sure you read the screening questions closely and answer them accurately.**

To access the student health portal and to upload a copy of your Covid-19 test results and update your health history form, go to: [https://sbu.medicatconnect.com](https://sbu.medicatconnect.com) Use your MySBU login name and password to log in. Then, once you’re logged in:

A. Click on the “UPLOAD” tab in the navigation bar near the top of the screen and follow the directions there for uploading your test results.

B. Click on the “FORMS” tab to access the Personal Health History form for new AND returning students. It is found in the “REQUIRED” section and looks like this:

   Personal Health History
   For all new and returning students. (NOTE: Students returning in the fall 2020 semester are being asked to update their health information by completing this form before coming to campus in August. Thank you)

***VERY IMPORTANT: Please continue to monitor ALL communications (email, Notice Board, phone calls, mailings) from the university so we may keep you up-to-date on the COVID-19 situation. Make sure you check for updates daily and answer any phone calls that come from 716-375-2000 (the main campus number).***

**THANK YOU for your cooperation and immediate attention to this information.** We have a GREAT team of healthcare professionals and counselors in the Center for Student Wellness to provide support during your time at SBU. Again, welcome back to SBU!

Sincerely,
